## Suicide Prevention Resource Guide

**If you need immediate assistance, please call or text:**

This guide was created with funding provided by the Pennsylvania Department of Health’s Preventive Health and Health Services Block Grant and is organized based on strategies outlined in the United States Center for Disease Control’s *Suicide Prevention: Resource for Action* which can be viewed in its entirety here: [Suicide prevention resource for action : a compilation of the best available evidence](#). This guide includes resources at the county, state, and national levels. Most resources have websites where you can apply or find more information. Please hold down the “CTRL” button on your keyboard while clicking the blue, underlined word (such as [COMPASS](#)) and you will be automatically directed to the website.
