**Referendum on Issuing Liquor Licenses in Penbrook Borough**

Through a petition of duly registered and qualified electors of Penbrook Borough, County of Dauphin, a referendum question will appear on the November 5, 2024 ballot regarding the issuance of liquor licenses in Penbrook Borough.

The proposed question is as follows:

“Do you favor the granting of brewery licenses for the sale of malt or brewed beverages by the case, by the keg and by the glass for consumption on premises, plus the sale of wine and spirits by the glass for consumption on premises, in Penbrook Borough, County of Dauphin, Pennsylvania?”

The Pennsylvania Liquor Code, 47 P.S. § 4-472, allows for a referendum to be held at an election in a municipality to determine the will of the electors with respect to the granting of brewery licenses for the sale of malt or brewed beverages by the case, by the keg and by the glass for consumption on premises, plus the sale of wine and spirits by the glass for consumption on premises.

A YES vote would allow the Pennsylvania Liquor Control Board to grant brewery licenses for the sale of malt or brewed beverages by the case, by the keg and by the glass for consumption on premises, plus the sale of wine and spirits by the glass for consumption on premises, in Penbrook Borough, County of Dauphin, Pennsylvania.

A NO vote means the granting of licenses by the Pennsylvania Liquor Control Board of brewery licenses for the sale of malt or brewed beverages by the case, by the keg and by the glass for consumption on premises, plus the sale of wine and spirits by the glass for consumption on premises, in Penbrook Borough, County of Dauphin, Pennsylvania would not be permitted.

In case of a tie vote, the status quo shall obtain. If a majority of the voting electors vote “yes,” then liquor licensees shall be granted by the board for brewery licenses. If a majority of the electors voting on any such question vote “no,” then the board shall have no power to grant brewery licenses.

**Referendum on Susquehanna Township School District Taxes**

Through a resolution of the Board of Directors of the Susquehanna Township School District, County of Dauphin, a referendum question will appear on the November 5, 2024 ballot regarding School District Taxes.

The proposed question is as follows:

“Do you favor eliminating the Susquehanna Township School District annual \$270.00 occupation Tax, and increasing the rate of the Susquehanna Township School District earned income tax rate from 0.5% to a new School District rate of 1.10% making the new total earned income tax rate, when combined with the Susquehanna Township Municipality 0.50% rate, for a total of 1.60% ?

The current School District Occupation Tax rate is a flat rate of \$270 per person on the assessed value of all occupations of persons residing in the School District at any time during the school year. The current School District Earned Income Tax rate is 0.50% which applies to earned income received and net profits earned by residents of the School District.

Pursuant to Section 311 of the Local Tax Enabling Act, the effective rate of the School District Earned Income Tax is limited to 0.50%. The municipality within the District impose Earned Income Tax at rates which range from 0.50%. The Current combined School District and municipal Earned Income Tax rate varies from 1.0%.

Pursuant to Chapter 4 of the Local Tax Enable Act, Optional Occupation Tax Elimination, Act 130 of 2008, a School District that levies an occupation tax may replace the revenues provided by the occupation tax by increasing the rate of earned income tax.

A YES vote would eliminate the \$270.00 Occupation Tax and increase the Earned Income Tax rate from 0.5% to a new School District rate of 1.10%. When combined with the municipal Earned Income Tax rate of 0.5%, the new rate will be 1.60%.

A NO vote would mean the continuance of the \$270.00 Occupation Tax and the Earned Income Tax rate for the School District at 0.5% and when combined with the municipal Earned Income Tax rate of 0.5%, the rate would remain at 1.00%.

In case of a tie vote, the status quo shall obtain. If a majority of the voting electors vote “yes,” then the \$270.00 Occupation Tax would be eliminated and the school District Earned Income Tax rate would increase to 1.10% and combined with the 0.50% rate of the municipality will be 1.60%. If a majority of the electors voting on any such question vote “no,” then the \$270.00 Occupation Tax would remain and the Earned Income Tax rate for the School District at 0.5% and when combined with the municipal Earned Income Tax rate of 0.5%, the rate would remain at 1.00%.
