2. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract on account of gender, race, creed, or color.
3. The Contractor and each subcontractor shall establish and maintain a written sexual harassment policy and shall inform their employees of the policy. The policy must contain a notice that sexual harassment will not be tolerated and employees who practice it will be disciplined.

MANAGEMENT DIRECTIVE

Commonwealth of Pennsylvania
Governor's Office

Subject:

Pennsylvania Electronic Payment Program (PEPP)

Number:

310.30 Amended

Date:

May 22, 2009

By Direction of:

Mary A. Soderberg, Secretary of the Budget

Contact Agency:

Office of the Budget, Office of Comptroller Operations, Bureau of Payable Services,
Telephone 717-425-6538

This directive establishes policy and defines responsibilities for the use of the Automated Clearing House Network for the processing of non-payroll payments. This amendment updates purpose, definitions, policy and responsibilities to address electronic addenda and encourages the use of electronic addenda to replace paper remittance advice. The Electronic Addenda User Acceptance Agreement is included as an enclosure. This amendment also updates procedures and references resulting from the Office of Comptroller Operations reorganization. Marginal dots are excluded due to major changes.

1. **PURPOSE.** To promote the use of the Automated Clearing House (ACH) Network for the payment of all non-payroll payments not made by the purchasing card.
2. **SCOPE.** Applies to all agencies under the Governor's jurisdiction. Other agencies are encouraged to adopt similar policies.
3. **OBJECTIVE.** To establish ACH and electronic addenda as the preferred payment method for non-payroll payments that cannot be made using the commonwealth purchasing card. The purchasing card is the preferred method of payment for eligible payments equal to or less than \$5,000.
4. **DEFINITIONS.**
 - a. **Automated Clearing House (ACH) Network.** A highly reliable and efficient nationwide batch-oriented electronic funds transfer system governed by the NACHA Operating Rules which provide for the interbank clearing of electronic payments for participating depository financial institutions. The Federal Reserve and Electronic Payments Network act as ACH Operators, central clearing facilities through which financial institutions transmit or receive ACH entries. Under this process, a payment is transferred electronically from a commonwealth bank account to a payee-designated bank account.

- b. **ACH Payments.** Electronic remittance to individuals or entities that are made electronically within the banking system; eliminate the need to print and mail a check; ensure that a payee receives payment by a specific date; provide an efficient, cost effective, and payee-friendly means of making payments; are environmentally friendly through the reduced use of paper, postage, office supplies, processing time, and storage space; and provide payees with an option to receive electronic addenda.
 - c. **Eligible Payments.** Non-payroll payments that can be made via ACH in accordance with commonwealth policy. Eligible payments for ACH include those over \$5,000 or those which cannot be made with the purchasing card.
 - d. **Direct Payments.** Payments not associated with a purchase order or not entered via an interface.
 - e. **Electronic Addenda.** Payment identification data included in the ACH transaction sent to the bank, replacing the paper remittance.
5. **POLICY.** The Pennsylvania Electronic Payment Program (PEPP) establishes ACH and electronic addenda as the preferred method of payment in lieu of issuing checks and mailing remittance advices. Agencies shall adopt and promote ACH and electronic addenda as the preferred method of payment for eligible payments not made by the purchasing card. Both procurement and non-procurement agreements shall contain provisions that establish ACH as the required method of payment. Electronic addenda should be promoted with ACH but is not required. Agencies may grant waivers to these provisions on a case-by-case basis; however, such waivers are strongly discouraged.

6. RESPONSIBILITIES.

a. Agencies are responsible for:

- (1) Including a provision in contracts and grant agreements that requires the payee to participate in PEPP (see Enclosure 1), including a copy of the PEPP enrollment form (see Enclosure 2) or listing the website where it can be obtained and completed online, as applicable (see www.vendorregistration.state.pa.us/cvnu/paper/Forms/ACH-EFTenrollmentform.pdf); and issuing waivers to this provision on a case-by-case basis, only when strong justification exists for such waiver.
- (2) Informing payees about the availability of PEPP, encouraging and facilitating payees' enrollment in the program, and providing payees with the necessary forms (see Enclosure 3) or websites for enrollment.
- (3) Selecting the ACH payment method in SAP when ACH banking information exists in the vendor master record.

b. Office of Comptroller Operations, Bureau of Payable Services is responsible for:

- (1) Encouraging payees to participate in PEPP and facilitating their enrollment.

- (2) Selecting the ACH payment method in SAP when ACH banking information exists in the vendor master record.
- (3) Ensuring contracts and grant agreements include language that requires the vendor to participate in PEPP.

7. PROCEDURES.

a. Action by: Agency.

- (1) Determine the need for, and subsequently implement provisions in a contract or grant agreement that require the payee to participate in PEPP.
- (2) Provide a copy of the PEPP enrollment form to be completed by the payee in paper or electronic format.
- (3) Encourage the payee to enroll in PEPP and eliminate the need for paper remittance by receiving electronic addenda.

b. Action by: Office of Comptroller Operations, Bureau of Payable Services.

- (1) Receive PEPP enrollment form and electronic addenda information, if applicable, from payee and review for completeness and accuracy.
- (2) Update the payee record in the commonwealth's central vendor master file to reflect ACH and electronic addenda information.
- (3) Select ACH payment method when processing payment to payee, if ACH information exists in the vendor master record.
- (4) Ensure that contracts and grant agreements include language that requires the payee to participate in PEPP.

Enclosure 1 - Standard Provisions

- f. If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor’s failure, including any statutory damages assessed against the Commonwealth.

CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth procurement process.

In furtherance of this policy, Contractor agrees to the following:

1. Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting with the Commonwealth.
2. Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to Contractor employee activity with the Commonwealth and Commonwealth employees, and which is distributed and made known to all Contractor employees.
3. Contractor, its affiliates, agents and employees shall not influence, or attempt to influence, any Commonwealth employee to breach the standards of ethical conduct for Commonwealth employees set forth in the *Public Official and Employees Ethics Act, 65 Pa.C.S. §§1101 et seq.*; the *State Adverse Interest Act, 71 P.S. §776.1 et seq.*; and the *Governor's Code of Conduct, Executive Order 1980-18, 4 Pa. Code §7.151 et seq.*, or to breach any other state or federal law or regulation.
4. Contractor, its affiliates, agents and employees shall not offer, give, or agree or promise to give any gratuity to a Commonwealth official or employee or to any other person at the direction or request of any Commonwealth official or employee.
5. Contractor, its affiliates, agents and employees shall not offer, give, or agree or promise to give any gratuity to a Commonwealth official or employee or to any other person, the acceptance of which would violate the *Governor's Code of Conduct, Executive Order 1980-18, 4 Pa. Code §7.151 et seq.* or any statute, regulation, statement of policy, management directive or any other published standard of the Commonwealth.
6. Contractor, its affiliates, agents and employees shall not, directly or indirectly, offer, confer, or agree to confer any pecuniary benefit on anyone as consideration for the decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty by any Commonwealth official or employee.
7. Contractor, its affiliates, agents, employees, or anyone in privity with him or her shall not accept or agree to accept from any person, any gratuity in connection with the performance of work under the contract, except as provided in the contract.

8. Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material on this project, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.

9. Contractor, its affiliates, agents and employees shall not disclose to others any information, documents, reports, data, or records provided to, or prepared by, Contractor under this contract without the prior written approval of the Commonwealth, except as required by the *Pennsylvania Right-to-Know Law*, 65 P.S. §§ 67.101-3104, or other applicable law or as otherwise provided in this contract. Any information, documents, reports, data, or records secured by Contractor from the Commonwealth or a third party in connection with the performance of this contract shall be kept confidential unless disclosure of such information is:
 - a. Approved in writing by the Commonwealth prior to its disclosure; or
 - b. Directed by a court or other tribunal of competent jurisdiction unless the contract requires prior Commonwealth approval; or
 - c. Required for compliance with federal or state securities laws or the requirements of national securities exchanges; or

 - e. Deemed necessary by Contractor in any action to enforce the provisions of this contract or to defend or prosecute claims by or against parties other than the Commonwealth; or
 - f. Permitted by the valid authorization of a third party to whom the information, documents, reports, data, or records pertain; or
 - g. Otherwise required by law.

10. Contractor certifies that neither it nor any of its officers, directors, associates, partners, limited partners or individual owners has been officially notified of, charged with, or convicted of any of the following and agrees to immediately notify the Commonwealth agency contracting officer in writing if and when it or any officer, director, associate, partner, limited partner or individual owner has been officially notified of, charged with, convicted of, or officially notified of a governmental determination of any of the following:

 - e. Violation of any federal or state environmental law.
 - f. Violation of any federal or state law regulating hours of labor, minimum wage standards or prevailing wage standards; discrimination in wages; or child labor violations.
 - g. Violation of the *Act of June 2, 1915 (P.L.736, No. 338)*, known as the *Workers' Compensation Act, 77 P.S. 1 et seq.*
 - h. Violation of any federal or state law prohibiting discrimination in employment.
 - i. Debarment by any agency or department of the federal government or by any other state.

contributions with the Secretary of the Commonwealth on or before February 15 of the next calendar year. The report must include an itemized list of all political contributions known to Contractor by virtue of the knowledge possessed by every officer, director, associate, partner, limited partner, or individual owner that has been made by:

12. Contractor shall comply with requirements of the *Lobbying Disclosure Act, 65 Pa.C.S. § 13A01 et seq.*, and the regulations promulgated pursuant to that law. Actions by outside lobbyists on Contractor's behalf, no matter the procurement stage, are not exempt and must be reported.
13. When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or in these provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or Commonwealth Inspector General in writing.
14. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these contractor integrity provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract.
15. Contractor shall cooperate with the Office of Inspector General in its investigation of any alleged Commonwealth employee breach of ethical standards and any alleged Contractor non-compliance with these provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of the Office of Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's

business or financial records, documents or files of any type or form that refers to or concern this contract.

16. For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

The Contractor agrees:

1. In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not, by reason of gender, race, creed, or color, discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates;
2. Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract on account of gender, race, creed, or color;

EXT. 1

A

Contractor Responsibility Provisions

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). 1. The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.
2. The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.

Such notification shall be made within 15 days of the date of suspension or debarment.
4. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
5. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. EXHIBIT B

MANAGEMENT DIRECTIVE

Commonwealth of Pennsylvania
Governor's Office

Subject: Pennsylvania Electronic Payment Program (PEPP)	Number: 310.30 Amended
Date: May 22, 2009	By Direction of:  Mary A. Soderberg, Secretary of the Budget
Contact Agency: Office of the Budget, Office of Comptroller Operations, Bureau of Payable Services, Telephone 717-425-6538	

This directive establishes policy and defines responsibilities for the use of the Automated Clearing House Network for the processing of non-payroll payments. This amendment updates purpose, definitions, policy and responsibilities to address electronic addenda and encourages the use of electronic addenda to replace paper remittance advice. The Electronic Addenda User Acceptance Agreement is included as an enclosure. This amendment also updates procedures and references resulting from the Office of Comptroller Operations reorganization. Marginal dots are excluded due to major changes.

- 1. PURPOSE.** To promote the use of the Automated Clearing House (ACH) Network for the payment of all non-payroll payments not made by the purchasing card.
- 2. SCOPE.** Applies to all agencies under the Governor's jurisdiction. Other agencies are encouraged to adopt similar policies.
- 3. OBJECTIVE.** To establish ACH and electronic addenda as the preferred payment method for non-payroll payments that cannot be made using the commonwealth purchasing card. The purchasing card is the preferred method of payment for eligible payments equal to or less than \$5,000.
- 4. DEFINITIONS.**
 - a. Automated Clearing House (ACH) Network.** A highly reliable and efficient nationwide batch-oriented electronic funds transfer system governed by the NACHA Operating Rules which provide for the interbank clearing of electronic payments for participating depository financial institutions. The Federal Reserve and Electronic Payments Network act as ACH Operators, central clearing facilities through which financial institutions transmit or receive ACH entries. Under this process, a payment is transferred electronically from a commonwealth bank account to a payee-designated bank account.

- b. **ACH Payments.** Electronic remittance to individuals or entities that are made electronically within the banking system; eliminate the need to print and mail a check; ensure that a payee receives payment by a specific date; provide an efficient, cost effective, and payee-friendly means of making payments; are environmentally friendly through the reduced use of paper, postage, office supplies, processing time, and storage space; and provide payees with an option to receive electronic addenda.
 - c. **Eligible Payments.** Non-payroll payments that can be made via ACH in accordance with commonwealth policy. Eligible payments for ACH include those over \$5,000 or those which cannot be made with the purchasing card.
 - d. **Direct Payments.** Payments not associated with a purchase order or not entered via an interface.
 - e. **Electronic Addenda.** Payment identification data included in the ACH transaction sent to the bank, replacing the paper remittance.
5. **POLICY.** The Pennsylvania Electronic Payment Program (PEPP) establishes ACH and electronic addenda as the preferred method of payment in lieu of issuing checks and mailing remittance advices. Agencies shall adopt and promote ACH and electronic addenda as the preferred method of payment for eligible payments not made by the purchasing card. Both procurement and non-procurement agreements shall contain provisions that establish ACH as the required method of payment. Electronic addenda should be promoted with ACH but is not required. Agencies may grant waivers to these provisions on a case-by-case basis; however, such waivers are strongly discouraged.

6. RESPONSIBILITIES.

a. Agencies are responsible for:

- (1) Including a provision in contracts and grant agreements that requires the payee to participate in PEPP (see Enclosure 1); including a copy of the PEPP enrollment form (see Enclosure 2) or listing the website where it can be obtained and completed online, as applicable (see www.vendorregistration.state.pa.us/cvnu/paper/Forms/ACH-EFTenrollmentform.pdf); and issuing waivers to this provision on a case-by-case basis, only when strong justification exists for such waiver.
- (2) Informing payees about the availability of PEPP, encouraging and facilitating payees' enrollment in the program, and providing payees with the necessary forms (see Enclosure 3) or websites for enrollment.
- (3) Selecting the ACH payment method in SAP when ACH banking information exists in the vendor master record.

b. Office of Comptroller Operations, Bureau of Payable Services is responsible for:

- (1) Encouraging payees to participate in PEPP and facilitating their enrollment.

- (2) Selecting the ACH payment method in SAP when ACH banking information exists in the vendor master record.
- (3) Ensuring contracts and grant agreements include language that requires the vendor to participate in PEPP.

7. PROCEDURES.

a. Action by: Agency.

- (1) Determine the need for, and subsequently implement provisions in a contract or grant agreement that require the payee to participate in PEPP.
- (2) Provide a copy of the PEPP enrollment form to be completed by the payee in paper or electronic format.
- (3) Encourage the payee to enroll in PEPP and eliminate the need for paper remittance by receiving electronic addenda.

b. Action by: Office of Comptroller Operations, Bureau of Payable Services.

- (1) Receive PEPP enrollment form and electronic addenda information, if applicable, from payee and review for completeness and accuracy.
- (2) Update the payee record in the commonwealth's central vendor master file to reflect ACH and electronic addenda information.
- (3) Select ACH payment method when processing payment to payee, if ACH information exists in the vendor master record.
- (4) Ensure that contracts and grant agreements include language that requires the payee to participate in PEPP.

Contract Provisions – Right to Know Law 8-K-1532

- a. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, (“RTKL”) applies to this Contract. For the purpose of these provisions, the term “the Commonwealth” shall refer to the contracting Commonwealth agency.
- b. If the Commonwealth needs the Contractor’s assistance in any matter arising out of the RTKL related to this Contract, it shall notify the Contractor using the legal contact information provided in this Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
- c. Upon written notification from the Commonwealth that it requires the Contractor’s assistance in responding to a request under the RTKL for information related to this Contract that may be in the Contractor’s possession, constituting, or alleged to constitute, a public record in accordance with the RTKL (“Requested Information”), the Contractor shall:
1. Provide the Commonwealth, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in the Contractor’s possession arising out of this Contract that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and
 2. Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Contract.
- d. If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor must notify the Commonwealth and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of the Contractor explaining why the requested material is exempt from public disclosure under the RTKL.
- e. The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within five (5) business days of receipt of written notification of the Commonwealth’s determination.
- f. If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor’s failure, including any statutory damages assessed against the Commonwealth.

g. The Commonwealth will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

h. The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.

i. The Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.
