(a) Form of 2010 Bonds. The 2010 Bonds shall be issued in fully registered form without coupons and shall be numbered in such manner as may be satisfactory to the County and the Paying Agent. Pursuant to recommendations promulgated by the Committee on Uniform Security Identification Procedures, "CUSIP" numbers may be printed on the 2010 Bonds. Each 2010 Bond shall be dated as of date of registration and authentication of such 2010 Bonds (the "Series Issuance Date"), shall be issued in denominations of \$5,000 or any whole multiple thereof, and shall bear interest from the dates, which interest is payable at the maximum rates provided herein, until maturity or prior redemption, all as set forth in the form of 2010 Bond attached hereto as Exhibit A.

(b) Amount and Term of 2010 Bonds. The 2010 Bonds shall bear interest, until maturity or prior redemption, at the maximum rates per annum, and shall mature in the maximum amounts and on November 15 (as to the Series A Bonds) and on August 1 (as to the Series B Bonds and the Series C Bonds) of certain years, all as set forth in the maturity schedule attached hereto as Schedule A attached hereto and incorporated herein.

If the date for payment of the principal of or interest on any 2010 Bond shall be a Saturday, Sunday, legal holiday or on a day on which banking institutions in the municipality where the designated corporate trust office of the Paying Agent is located are authorized or required by law or executive order to close, then the date of such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized or required to close (a day other than such a day is a "Business Day"), and payment on such date shall have the same force and effect as if made on the nominal date established for such payment.

(d) Record Dates. The term "Regular Record Date" with respect to any Interest Payment Date shall mean the fifteenth (15th) day (whether or not a Business Day) next preceding such Interest Payment Date. The person in whose name any 2010 Bond is registered at the close of business on any Regular Record Date with respect to any applicable Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding the cancellation of such 2010 Bond upon any transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date, except if and to the extent that the County defaults in the payment of the interest due on such Interest Payment Date in which case such defaulted interest shall be paid to the persons in whose names outstanding 2010 Bonds are registered at the close of business on a special record date (the "Special Record Date") established by the Paying Agent, notice of which shall have been mailed to all registered owners of 2010 Bonds not less than fifteen (15) days prior to such Special Record Date and not less than twenty (20) days, but not more than thirty (30) days, prior to the Special Interest Payment Date. Such notice shall be mailed to the registered owner shown on the Bonds Register maintained by the Paying Agent at the close of business on the fifth (5th) business day preceding the date of mailing.

(e) Payment of Interest. Interest on each of the 2010 Bonds shall be payable on each Interest Payment Date to the registered owner of such 2010 Bond as of the close of business of the Bonds Registrar on the Regular Record Date preceding the applicable Interest Payment Date, by check mailed to the address of such owner as shown on the Bond Register; provided, however, that interest shall be paid on such 2010 Bond by wire transfer to an account of the owner in the United States, if such owner is the Depository Trust Company or its nominee or a successor securities depository or if such owner is the registered owner of 2010 Bonds in an aggregate principal amount of \$1,000,000 or more and shall have made a written request for wire payment of interest to the Paying Agent at least fifteen (15) calendar days prior to the Interest Payment Date. Such a request may state that it will remain in effect for subsequent interest payments until amended or revoked by written notice to the Paying Agent; provided, however, that no such request shall remain valid following a transfer of ownership of the 2010 Bond or 2010 Bonds to which it relates.

(f) Payment of Principal. The principal of the 2010 Bonds, when due for payment upon maturity, upon any call for redemption, or upon a declaration of acceleration following a default under the 2010 Bonds, shall be payable upon surrender of the 2010 Bonds to the Bonds Registrar at its designated office.

Section 8. Bonds Registrar, Registrations and Transfer.

The County shall cause to be kept at the designated corporate trust office of the Paying Agent a register (the "Bonds Register") in which, subject to such reasonable regulations as it may prescribe, the County shall provide for the registration of 2010 Bonds and the registration of transfers and exchanges of 2010 Bonds. No transfer or exchange of any 2010 Bond shall be valid unless made at such office and registered in the Bonds Register.

Upon surrender of any 2010 Bond at the designated corporate trust office of the Paying Agent for registration of transfer, the County shall execute and the Paying Agent shall authenticate and deliver in the name of the transferee or transferees, a new 2010 Bond or 2010 Bonds of any authorized denomination, of the same interest rate and maturity, and in the same aggregate principal amount as the 2010 Bonds so surrendered.

Any 2010 Bond shall be exchangeable for other 2010 Bonds of the same maturity, and interest rate, in any authorized denomination, in an aggregate principal amount equal to the principal amount of the 2010 Bond or 2010 Bonds presented for exchange. Upon surrender of any 2010 Bond for exchange at the designated corporate trust office of the Paying Agent, the County shall execute and the Paying Agent shall authenticate and deliver in exchange therefor the 2010 Bond or 2010 Bonds that the owner making the exchange shall be entitled to receive.

All 2010 Bonds issued upon any registration of transfer or exchange shall be valid obligations of the County, evidencing the same debt and entitled to the same benefits under this Ordinance as the 2010 Bonds surrendered for such registration of transfer or exchange.

Every 2010 Bond presented or surrendered for registration of transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer, in form and with guaranty of signature satisfactory to the County and the Registrar, duly executed by the registered owner thereof or his duly authorized agent or legal representative.

No service charge shall be made for any transfer or exchange of any 2010 Bond, but the County may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of 2010 Bonds.

The County and the Paying Agent shall not be required to: (a) issue, or register the transfer or exchange of, any 2010 Bond during the period beginning at the opening of business on any Regular Record Date for interest payments and ending at the close of business on such Interest Payment Date; (b) issue, or register the transfer or exchange of, any 2010 Bond during the period beginning at the opening of business on the 15th day next preceding any date of selection of 2010 Bonds to be redeemed and ending at the close of business on the date the notice of redemption shall be mailed; (c) issue, or register the transfer or exchange of, any 2010 Bond during the period beginning at the opening of business on the first business day next succeeding the business day the Paying Agent determines the registered owners of the 2010 Bonds to receive notice of any Special Record Date and the close of business on the Special Record Date; or (d) register the transfer or exchange of any 2010 Bond after it has been selected or called for redemption, in whole or in part.

Section 9. Redemption of 2010 Bonds.

(a) Optional Redemption of 2010 Bonds. The Series A Bonds are subject to redemption prior to maturity as set forth Schedule A, attached hereto and incorporated herein by reference as if set out here at length. The Series B Bonds and Series C Bonds are not subject to optional redemption prior to maturity.

(b) Notice. Notice of any redemption of Series A Bonds shall be given by mailing a notice of redemption by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date to the registered owners of the Series A Bonds to be redeemed at the addresses which appear in the Bonds Register provided, however, that neither failure to mail such notice nor any defect in the notice so mailed or in the mailing thereof with respect to any one 2010 Bond, shall affect the validity of the proceedings for the redemption of any other 2010 Bond. If the County shall have duly given notice of redemption and shall have deposited with the Paying Agent funds for the payment of the redemption price of the Series A Bonds so called for redemption, with accrued interest thereon to the date fixed for redemption, interest on such Series A Bonds shall cease to accrue after such redemption date. If at the time of the mailing of notice of redemption the County shall not have deposited with the Paying Agent monies sufficient to redeem all Series A Bonds so called for redemption, such notice shall state that it is conditional upon, and subject to, the deposit with the Paying Agent of a sufficient amount of money not later than the opening of business on the redemption date, and such notice shall be of no effect unless such money is so deposited.

(d) CUSIP Numbers. Notices of redemption shall contain the applicable CUSIP numbers pertaining to the Series A Bonds called for redemption (if then generally in use), and shall also contain the serial identification numbers printed on the Series A Bonds. The County, however, makes no representation as to the accuracy of such CUSIP numbers either printed on the Series A Bonds or as contained in any redemption notice.

(e) Selection by County. If less than all Series A Bonds of any maturity are to be redeemed at any time, the County shall select the Series A Bonds to be redeemed at such time by written notice to the Paying Agent.

(f) **Portions of Series A Bonds.** Any portion of any 2010 Bond of a denomination larger than \$5,000 may be redeemed, but only in the principal amount of \$5,000 or any integral multiple thereof.

Prior to selecting Series A Bonds for redemption, the Paying Agent shall assign numbers to each \$5,000 portion of any Series A Bonds of a denomination larger than \$5,000 and shall treat each portion as a separate 2010 Bond of the same maturity in the denomination of \$5,000 for purposes of selection for redemption. Payment of the redemption price for partial redemption of a Series A Bond shall only be made by the Paying Agent upon surrender of the Series A Bond for redemption of a portion thereof, whereupon the Paying Agent shall authenticate and deliver to the registered owner thereof a new Series A Bond or Series A Bonds of the same maturity and in any authorized denominations requested by the registered owner in an aggregate principal amount equal to the unredeemed portion of the 2010 Bond surrendered.

Section 10. Execution and Authentication; Book-Entry Only System.

(a) **Execution and Authentication.**

(1) The 2010 Bonds shall be executed on behalf of the County by the signatures of at least a majority of the Board of Commissioners, and shall have the corporate seal of the County affixed thereto, duly attested by the signature of the Chief Clerk and said officers are hereby authorized and directed to execute the 2010 Bonds. The 2010 Bonds shall be authenticated by the manual execution of the Certificate of Authentication appearing on the 2010 Bonds by a duly authorized officer of the Paying Agent.

(2) No 2010 Bond shall be valid until such Certificate of Authentication shall have been duly executed by the Paying Agent and such authentication shall be conclusive and the only proof that any 2010 Bond has been issued pursuant to this Ordinance and is entitled to any benefits conferred thereon under the provisions of this Ordinance. The signature of the officer of the Paying Agent executing the Certificate of Authentication on a 2010 Bond shall be manual. The signatures of the members of the Board of Commissioners and of the Chief Clerk of the County may be by facsimile. Proper Officers of the County, or any of them, are hereby authorized and directed to deliver the 2010 Bonds to the Purchaser and receive payment therefor on behalf of the County after sale of the same in the manner required by law and this Ordinance.

(b) **Book-Entry Only Registration.**

(1) The County authorizes and approves the purchase of the 2010 Bonds by the Purchaser as book-entry only obligations with The Depository Trust Company, New York, New York ("DTC"). Proper Officers of the County are authorized and directed to execute DTC's Letter of Representations, if applicable, in substantially the form submitted to the County concurrent with its consideration of this Ordinance, and such other documents as shall be necessary to complete the sale of the 2010 Bonds as book-entry obligations.

(2) The 2010 Bonds shall be issued in the form of one fully registered bond for the

aggregate principal amount of the 2010 Bonds of each maturity. Except as provided in subparagraph (b)(8) below, all of the 2010 Bonds shall be registered in the name of Cede & Co., as nominee of DTC; provided that if DTC shall request that the 2010 Bonds be registered in the name of a different nominee, the Paying Agent shall exchange all or any portion of the 2010 Bonds for an equal aggregate principal amount of the 2010 Bonds, registered in the name of such nominee or nominees of DTC. No person other than DTC or its nominee shall be entitled to receive from the County or Paying Agent either a 2010 Bond, or any other evidence of ownership of any of the 2010 Bonds, or any right to receive any payment in respect thereof unless DTC or its nominee shall transfer record ownership of all or any portion of the 2010 Bonds on the registration records maintained by the Paying Agent in connection with discontinuing the book entry system as provided in subparagraph (b)(8), below or otherwise.

(3) So long as the 2010 Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all payments of the principal or redemption price of or interest on the 2010 Bonds shall be made to DTC or its nominee in immediately available funds on the dates provided for such payments in this Ordinance and in the 2010 Bonds. Each such payment to DTC or its nominee shall be valid and effective to discharge fully all liability of the County, the Paying Agent with respect to the principal or redemption price of or interest on such 2010 Bonds to the extent of the sum or sums so paid. In the event of the redemption of less than all of the 2010 Bonds outstanding of any maturity, the Paying Agent shall not require surrender by DTC or its nominee of the 2010 Bonds so redeemed, but DTC (or its nominee) may retain such 2010 Bonds and make an appropriate notation on the Project Bond certificate for such maturity as to the amount of such partial redemption; provided that DTC shall deliver to the Paying Agent upon request, a written confirmation of such partial redemption and thereafter the records maintained by the Paying Agent shall be conclusive as to the amount of the 2010 Bonds of such maturity that have been redeemed.

(4) The County, the Paying Agent, and the Bonds Registrar may treat DTC (or its nominee) as the sole and exclusive owner of the 2010 Bonds registered in its name for the purposes of payment of the principal or redemption price of or interest on the 2010 Bonds, selecting the 2010 Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to registered owners under the Ordinance and the 2010 Bonds, registering the transfer of 2010 Bonds, obtaining any consent or other action to be taken by registered owners and for all other purposes whatsoever, and neither the County nor the Paying Agent or the Bonds Registrar shall be affected by any notice to the contrary. Neither the County nor the Paying Agent, or the Bonds Registrar, as applicable, shall have any responsibility or obligation to any participant in DTC, any person claiming a beneficial ownership interest in the 2010 Bonds under or through DTC or any such participant, or any other person which is not shown on the registration records maintained by the Paying Agent, and the Bonds Registrar as being a registered owner, with respect to either: (1) the 2010 Bonds; or (2) the accuracy of any records maintained by DTC or any such participant; or (3) the payment by DTC or any such participant of any amount in respect of the principal or redemption price of or interest on the 2010 Bonds; or (4) any notice which is permitted or required to be given to registered owners under this Ordinance or the 2010 Bonds; or (5) the selection by DTC or any such participant of any person to receive payment in the event of a partial redemption of the 2010 Bonds; or (6) any consent given or other action taken by DTC as registered owner.

(5) So long as the 2010 Bonds or any portion thereof are registered in the name of DTC or any nominee thereof, all notices required or permitted to be given to the registered owners of 2010 Bonds under this Ordinance or the 2010 Bonds shall be given to DTC as provided in the representation letter to be delivered to DTC, in form and content satisfactory to DTC and the County.

(6) In connection with any notice or other communication to be provided to registered owners pursuant to this Ordinance or the 2010 Bonds by the County, or the Paying Agent with respect to any consent or other action to be taken by registered owners, DTC shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action, provided that the County or the Paying Agent may establish a special record date for such consent or other action. The County or the Paying Agent shall give DTC notice of such special record date not less than fifteen (15) calendar days in advance of such special record date to the extent possible.

(7) Any successor Paying Agent shall, in its written acceptance of its duties under this Ordinance, agree to take any actions necessary from time to time to comply with the requirements of the representation letter.

In either of such events (unless in the case described in clause (ii) above, the County appoints a successor securities depository), the 2010 Bonds shall be delivered in registered certificate form to such persons, and in such maturities and principal amounts, as may be designated by DTC, but without any liability on the part of the County, the Paying Agent, or the Bonds Registrar, for the accuracy of such designation. Whenever DTC requests the County, the Paying Agent, or the Bonds Registrar, to do so, the County, the Paying Agent, or the Bonds Registrar shall cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the 2010 Bonds.

The County's covenants in the immediately preceding paragraph shall terminate upon legal defeasance, or other arrangement whereby the County is released from any further obligations with respect to the 2010 Bonds, prior redemption or payment in full of all of the 2010 Bonds. If such termination occurs prior to the final maturity of the 2010 Bonds, the County shall give prompt notice of such termination to EMMA and the SID.

Proper Officers of the County are hereby authorized in the name and on behalf of the County to amend or terminate, in whole or in part, any of the foregoing covenants in this Section, without the consent of the holders or beneficial owners of the 2010 Bonds, provided that (A) the amendment requires the County to provide more information, or to disseminate information more widely or more often, than was required by this Section immediately prior to the amendment, without diminishing in any way the obligations of the County to provide information hereunder as required by this Section immediately prior to the amendment, or (B) the following conditions are satisfied: (i) the amendment or termination is in connection with a change in circumstances that arises from a change in or clarification of legal requirements, change of law, or change in the identity, nature or status of an obligated person (within the meaning of the Rule) with respect to the 2010 Bonds, or the type of business conducted; (ii) such covenants, as amended, would, in the opinion of independent nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the 2010 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and (iii) the amendment or termination either (a) is approved by the holders of the 2010 Bonds in the same manner as provided in the Debt Act for modifications of this Ordinance with the consent of such holders or (b) does not, in the opinion of independent

nationally recognized bond counsel, materially impair the interests of the holders or beneficial owners of the 2010 Bonds. The County shall give prompt notice of any such amendment or termination to EMMA and to the SID. In addition, the County shall describe such amendment in the next Report or submission of audited financial statements, as the case may be, and shall include, as applicable, a narrative explanation of the reason for the amendment and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being provided by the County. If the amendment relates to the accounting principles to be followed in preparing the Report or audited financial statements, (A) the County shall give prompt notice of such change to EMMA, and the SID and (B) the Report or audited financial statements, as the case may be, for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the Financial Statements as prepared on the basis of the new accounting principles and the Financial Statements prepared on the basis of the former accounting principles.

The sole remedy for a breach by the County of any of the covenants in this Section shall be an action to compel performance of such covenant. Under no circumstances may monetary damages be assessed or recovered or payment of the 2010 Bonds be accelerated, nor shall any such breach constitute a default under the 2010 Bonds. Nothing in this Section is intended as or shall be deemed a "provision of the 2010 Bonds" or a "failure to comply with any provisions of the 2010 Bonds" for purposes of the Debt Act.

Section 29. Remedies of Bondholders.

Upon default by the County in the failure to budget debt Service on any of the 2010 Bonds or to pay principal and interest upon any of the 2010 Bonds and such failure continues for 30 days, the holders of the 2010 Bonds shall have such rights and remedies as may be provided by law, including as set forth in Sections 8261 – 8266 of the Debt Act (the "Default Remedies").

Section 30. Severability.

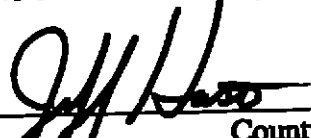

In the event any provision, section, sentence, clause or part of this Ordinance shall be held to be invalid, such invalidity shall not affect or impair any remaining provision, section, sentence, clause or part of this Ordinance, it being the intent of this County that such remainder shall be and shall remain in full force and effect.

Section 31. Repealer.

Any ordinances or parts thereof not in accordance with this Ordinance are hereby repealed insofar as they conflict with this Ordinance.

ADOPTED, by the Governing Body of this Local Government Unit, in lawful session duly assembled, this 3rd day of March, 2010.

Gentlemen:

The undersigned, RBC Capital Markets Corporation (the "Underwriter"), acting on its own behalf, offers to enter into the following agreement with County of Dauphin, Pennsylvania (the "Issuer" or the "County") which, upon the Issuer's written acceptance of this offer, will be binding upon the Issuer and upon the Underwriter. Terms not otherwise defined in this Agreement shall have the same meanings set forth in the Bond Ordinance (as defined herein) or in the Official Statement (as defined herein).

1. *Purchase and Sale of the Bonds.* Conditioned upon market availability, usual and customary Underwriter review and approvals, customary bond documentation and opinions and the absence of either party terminating this Agreement pursuant to Section 7 herein, and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all of the Issuer's General Obligation Bonds, Series A of 2010 (the "Series A Bonds"), authorized for issuance under a Ordinance adopted by the Issuer on March 3, 2010 (the "Bond Ordinance") and more fully described herein. Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer understands, and hereby confirms, that with respect to the Underwriter's purchase of the Series A Bonds, the Underwriter is not acting as a fiduciary of the Issuer, but rather is acting solely in its capacity as Underwriter for its own account. The Underwriter has been duly authorized to execute this agreement and to act hereunder.

The maximum aggregate principal amount of the Series A Bonds to be issued, the maximum annual principal maturity or mandatory redemption amounts, and the maximum interest rate(s) per annum, are set forth in Schedule I attached hereto. The Series A Bonds are described in, and shall be issued and secured under and pursuant to, the terms and conditions of the Bond Ordinance and any Bond Agreement authorized thereunder. Manufacturers and Traders Trust Company, Harrisburg, Pennsylvania (the "Paying Agent") shall serve as paying agent, sinking fund depository and registrar for the Series A Bonds.

The purchase price for any Series A Bonds purchased hereunder, including underwriting discount and net original issue discount or original issue premium, shall be negotiated and set forth in a written addendum to this Agreement (whether one or more, each referred to as the "Bond Agreement") executed by both parties at least 15 days prior to date of the Closing (as hereinafter defined), and shall not be less than 95.0% nor more than 115.0% of the aggregate principal amount of Series A Bonds to be issued and delivered by the Issuer, plus interest accrued, if any, on the Series A Bonds from the dated date of the Series A Bonds to the date of such Closing. The initial offering prices and yields, interest rate modes, mode conversion provisions, remarketing provisions,

optional and mandatory tender provisions, credit or liquidity provisions, optional and mandatory redemption provisions, sources and uses of funds and any other appropriate terms and conditions applicable to the Series A Bonds, not inconsistent with the Bond Ordinance and any Bond Agreement authorized thereunder, also shall be set forth in an addendum to this Agreement and shall in all respects be acceptable to the Issuer in its sole discretion. The Series A Bonds may, however, be issued and delivered by the Issuer from time to time, on such dates and in such aggregate principal amounts as may be authorized by the Issuer and acceptable to the Underwriter, and the Underwriter shall, at the time of issuance and delivery of such Series A Bonds, pay the appropriate purchase price set forth above, plus accrued interest, if any, from the dated date of such Series A Bonds to the date of delivery of such Series A Bonds.

2. *Public Offering* The Underwriter agrees to make a bona fide public offering of all of the Series A Bonds at prices not to exceed the public offering price(s) described above, which will be set forth on the cover of an Official Statement to be prepared by or on behalf of the Issuer (the "Official Statement") in connection with the marketing and issuance of the Series A Bonds. The Underwriter may subsequently change such offering price(s) without any requirement of prior notice. The Underwriter may offer and sell Series A Bonds to certain dealers (including dealers depositing Series A Bonds into investment trusts) and others at prices lower than the public offering price stated on the cover of the Official Statement.

3. *The Preliminary Official Statement and the Official Statement.*

(a) Upon request of the Underwriter, following notification by the Issuer that it intends to issue Series A Bonds under the Bond Ordinance, a Preliminary Official Statement shall be prepared for use by the Underwriter in connection with any public offering, sale or distribution of the Series A Bonds. The Preliminary Official Statement shall be deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Series A Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule"). The Issuer hereby agrees to consent to the use by the Underwriter of the Preliminary Official Statement in connection with a public offering of the Series A Bonds.

(b) Not later than seven (7) business days after the Issuer and the Underwriter execute the addendum to this Agreement establishing the final terms applicable to the Series A Bonds, and in sufficient time to accompany any confirmation that requests payment from any customer, the Issuer shall provide, or cause to be provided, to the Underwriter, an Official Statement satisfying the requirements of the Rule. The Official Statement shall be complete as of the date of its delivery to the Underwriter and shall be made available in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board. The Issuer agrees to authorize the Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Series A Bonds.

(c) If, after the date of the Official Statement to and including the date the Underwriter is no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from a nationally recognized municipal securities repository, but in no case less than 25 days after the "end of the underwriting period" for the Series A Bonds), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, or cause to be prepared and furnished, at the Issuer's own expense (in a form and manner approved by the Underwriter), a reasonable number of

copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(d) The Underwriter hereby agrees to timely file the Official Statement with the Municipal Securities Rulemaking Board (MSRB). Unless otherwise notified in writing by the Underwriter, the Issuer can assume that the "end of the underwriting period" for purposes of the Rule is the date of the Closing.

4. *Representations, Warranties, and Covenants of the Issuer.* The Issuer hereby represents and warrants to and covenants with the Underwriter that:

(a) The Issuer is a county of the third class organized and existing under the laws of the Commonwealth of Pennsylvania (the "*Commonwealth*") and has full legal right, power and authority under the Local Government Unit Debt Act, as amended and supplemented (the "*Act*"), and at the date of the Closing will have full legal right, power and authority under the Act, and the Bond Ordinance (i) to enter into, execute and deliver this Agreement, the Bond Ordinance and the Undertaking as defined in Section 6(h)(4) hereof and all documents required hereunder and thereunder to be executed and delivered by the Issuer (this Agreement, the Bond Ordinance, the Undertaking, and the other documents referred to in this clause (i) are hereinafter referred to as the "*Issuer Documents*"), (ii) to sell, issue and deliver the Series A Bonds to the Underwriter as provided herein, and (iii) to carry out and consummate the transactions contemplated by the Issuer Documents and the Official Statement, and the Issuer has complied, and will at the Closing be in compliance in all respects, with the terms of the Act and the Issuer Documents as they pertain to such transactions;

(b) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, or such later date satisfactory to the Underwriter, the Issuer has duly authorized all necessary action to be taken by it for (i) the adoption of the Bond Ordinance and the issuance and sale of the Series A Bonds, (ii) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, contained in the Series A Bonds and the Issuer Documents and (iii) the consummation by it of all other transactions contemplated by the Official Statement, the Issuer Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the Issuer in order to carry out, give effect to, and consummate the transactions contemplated herein, in the Bond Ordinance and in the Official Statement;

(c) The Issuer Documents constitute or will constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; the Series A Bonds, when issued, delivered and paid for in accordance with the Bond Ordinance and this Agreement, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits of the Bond Ordinance and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; and upon the issuance, authentication and delivery of the Series A Bonds as aforesaid, the Bond Ordinance will provide, for the benefit of the holders, from time to time, of the Series A Bonds, the legally valid and binding pledge it purports to create as set forth in the Bond Ordinance;

(d) The Issuer is not in breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the Commonwealth or the United States, any applicable judgment or decree, or any loan agreement, indenture, bond, note, Ordinance, agreement or

other instrument to which the Issuer is a party relating to the transaction contemplated by this Agreement or to which the Issuer is or any of its property or assets are otherwise subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Series A Bonds and the Issuer Documents and the adoption of the Bond Ordinance and compliance with the provisions on the Issuer's part contained therein, will not conflict with or constitute a breach of or default under any constitutional provision, administrative regulation, judgment, decree, loan agreement, indenture, bond, Bond Ordinance, agreement or other instrument to which the Issuer is a party or to which the Issuer is or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer to be pledged to secure the Series A Bonds or under the terms of any such law, regulation or instrument, except as provided in the Series A Bonds and the Bond Ordinance;

(e) All authorizations and approvals of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under the Issuer Documents and the Series A Bonds have been or will be duly obtained;

(f) The Series A Bonds shall conform to the descriptions thereof to be set forth in the Official Statement under the caption "The Bonds"; the description of the Bond Ordinance to be contained in the Official Statement under the caption "Introduction" shall conform to the Bond Ordinance; the proceeds of the sale of the Series A Bonds will be applied generally as described in the addendum to this Agreement and in the Official Statement under the caption "Purpose of the Issue"; and, if applicable, the Undertaking shall conform to the description thereof to be contained in the Official Statement under the caption "Continuing Disclosure Undertaking;"

(g) There is no legislation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer after due inquiry, threatened against the Issuer, (1) affecting the existence of the Issuer or the titles of its officers to their respective offices, (2) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series A Bonds, or the collection of taxes pledged to the payment of principal of and interest on the Series A Bonds, pursuant to the Bond Ordinance, (3) in any way contesting or affecting the validity or enforceability of the Series A Bonds or the Issuer Documents, (4) contesting the exclusion from gross income of interest on the Series A Bonds for federal income tax purposes under existing laws or the exclusion from gross income of interest on the Series A Bonds from Pennsylvania personal income tax and Pennsylvania personal property taxes under the laws of the Commonwealth, (5) contesting in any way the timing or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or (6) contesting the powers of the Issuer or any authority for the issuance of the Series A Bonds, the adoption of the Bond Ordinance or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, if any such action does exist or is threatened, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Series A Bonds or the Issuer Documents;

(h) As of its date, the Preliminary Official Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(i) From its date (unless the Official Statement is amended or supplemented pursuant to paragraph (c) of Section 3 of this Agreement), up to and including the date of Closing, the Official Statement shall not contain any untrue statement of a material fact or omit to state any material fact required to be stated

therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(j) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Series A Bonds as provided in and subject to all of the terms and provisions of the Bond Ordinance and not to take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes or State income tax purposes of the interest on the Series A Bonds;

(k) The financial statements of, and other financial information regarding the Issuer, in the Official Statement shall fairly present the financial position and results of the Issuer as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Issuer. The Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the financial condition of the Issuer;

(l) Prior to the Closing the Issuer will not offer or issue any Bonds, Notes or other obligations for borrowed money payable from or secured by any of the revenues or assets which will secure the Series A Bonds without prior notice to the Underwriter; and

(m) Any certificate signed by any official of the Issuer duly authorized to do so in connection with the transactions contemplated by this Agreement shall be deemed a representation and warranty by the Issuer to the Underwriter as to the statements made therein;

5. *Closing.*

(a) At such time and date as shall have been mutually agreed upon by the Issuer and the Underwriter (the "*Closing*"), the Issuer will, subject to the terms and conditions hereof, deliver the Series A Bonds to the Underwriter via the Book-Entry Only System of The Depository Trust Company, together with the other documents hereinafter mentioned, and the Underwriter will, subject to the terms and conditions hereof, accept such delivery and pay the purchase price of the Series A Bonds as set forth in Section 1 of this Agreement by a wire transfer payable in immediately available funds to the order of the Issuer. Payment for the Series A Bonds as aforesaid shall be made at the offices of the Paying Agent, or such other place as shall have been mutually agreed upon by the Issuer and the Underwriter. If the Series A Bonds are issued and delivered to the Underwriter from time to time as permitted under Section 1 hereof, the mutual delivery of Series A Bonds and the other documents, certificates and opinions required by this Agreement to be made on the related Closing Date is herein referred to as a "*Closing*."

(b) The Series A Bonds shall be delivered to the Paying Agent in definitive fully registered form, bearing CUSIP numbers without coupons, with one Bond for each maturity of the Series A Bonds, registered in the name of Cede & Co., all as provided in the Bond Ordinance. Upon request, copies of the executed Series A Bonds shall be made available to the Underwriter at least one business day before the Closing for purposes of inspection.

6. *Closing Conditions.* The Underwriter has entered into this Agreement in reliance upon the representations, warranties and agreements of the Issuer contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriter's obligation under this Agreement to purchase, to accept delivery of and to pay for the Series A Bonds shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Underwriter:

- (a) The representations and warranties of the Issuer contained herein shall be true, complete and correct on the date hereof and on and as of the date of the Closing, as if made on the date of the Closing;
- (b) The Issuer shall have performed and complied with all agreements and conditions required by this Agreement to be performed or complied with by it prior to or at the Closing;
- (c) At the time of the Closing, (i) the Issuer Documents and the Series A Bonds shall be in full force and effect in the form heretofore approved by the Underwriter and shall not have been amended, modified or supplemented, and the Official Statement shall not have been supplemented or amended, except in any such case as may have been agreed to by the Underwriter; and (ii) all actions of the Issuer required to be taken by the Issuer shall be performed in order for Bond Counsel to deliver its opinion referred to hereafter;
- (d) At or prior to the Closing, the Bond Ordinance shall have been duly adopted by the Issuer and in full force and effect, and the Issuer shall have duly executed and delivered the Series A Bonds to the Paying Agent for the Paying Agent's authentication of the Series A Bonds;
- (e) At the time of the Closing, there shall not have occurred any change or any development involving a prospective change in the condition, financial or otherwise, or in the revenues or operations of the Issuer, from that set forth in the Official Statement that in the judgment of the Underwriter, is material and adverse and that makes it, in the judgment of the Underwriter, impracticable to market the Series A Bonds on the terms and in the manner contemplated in the Official Statement;
- (f) The Issuer shall not have failed to pay principal or interest when due on any of its outstanding obligations for borrowed money;
- (g) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions contemplated by this Agreement shall be reasonably satisfactory in legal form and effect to the Underwriter; and
- (h) At or prior to the Closing, the Underwriter shall have received copies of each of the following documents:
- (1) The Official Statement, and each supplement or amendment thereto, if any, executed on behalf of the Issuer by an officer of the Issuer, or such other official as may have been agreed to by the Underwriter, and the reports and audits referred to or appearing in the Official Statement;
 - (2) The Bond Ordinance and any Bond Agreement authorized thereunder, each with such supplements or amendments as may have been agreed to by the Underwriter;
 - (3) This Agreement, together with all addendums pertaining to the final terms of the Series A Bonds, duly executed by the Issuer;
 - (4) The Continuing Disclosure Undertaking (the "Undertaking") of the Issuer which satisfies the requirements of section (b)(5)(i) of the Rule;
 - (5) The approving opinion of Bond Counsel with respect to the Series A Bonds;
 - (6) A certificate, dated the date of Closing, of the Issuer to the effect that (i) the representations and warranties of the Issuer contained herein are true and correct in all material respects on and as of the date of Closing as if made on the date of Closing; (ii) no litigation or

proceeding against it is pending or, to its knowledge, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the Issuer to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Issuer, (c) contest the validity, due authorization and execution of the Series A Bonds or the Issuer Documents or (d) attempt to limit, enjoin or otherwise restrict or prevent the Issuer from functioning and collecting revenues, and other income, or the levy or collection of taxes to pay the principal of and interest on the Series A Bonds, or the pledge of the full faith, credit and taxing power of the Issuer for payment of the Series A Bonds; (iii) the Ordinances of the Issuer authorizing the execution, delivery and/or performance of the Official Statement, the Series A Bonds and Issuer Documents have been duly adopted by the Issuer, are in full force and effect and have not been modified, amended or repealed, and (iv) to the best of its knowledge, no event affecting the Issuer has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein, in light of the circumstances under which made, not misleading in any respect as of the time of Closing, and the information contained in the Official Statement (as the same may have been amended or supplemented in accordance with Section 3(c) hereof, if applicable) is correct in all material respects and, as of the date of the Official Statement did not, and as of the date of the Closing does not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(7) A certificate of the Issuer in form and substance satisfactory to Bond Counsel (a) setting forth the facts, estimates and circumstances in existence on the date of the Closing which establish that it is not expected that the proceeds of the Series A Bonds will be used in a manner that would cause the Series A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any applicable regulations (whether final, temporary or proposed), issued pursuant to the Code, and (b) certifying that to the best of the knowledge and belief of the Issuer there are no other facts, estimates or circumstances that would materially change the conclusions, representations and expectations contained in such certificate;

(8) Any other certificates and opinions required by the Bond Ordinance for the issuance thereunder of the Series A Bonds.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Series A Bonds contained in this Agreement, or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Series A Bonds shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriter nor the Issuer shall be under any further obligation hereunder.

7. *Termination.* Either party shall have the right to terminate this Agreement and their obligations hereunder if, between the date of this Agreement and the Closing, the market price or marketability of the Series A Bonds shall, in the sole judgement of the terminating party, be materially adversely affected by the occurrence of any of the following:

(a) Legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the Commonwealth or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice by or on behalf of the Treasury

Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation upon interest received on obligations of the general character of the Series A Bonds as described in the Official Statement, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated herein;

(b) Legislation shall be introduced in or enacted (or Ordinance passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice shall be issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Series A Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the Securities Act of 1933, or that the Bond Ordinance is not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Series A Bonds, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect;

(c) A general suspension of trading in securities on the New York Stock Exchange or the American Stock Exchange, the establishment of minimum prices on either such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York or Pennsylvania state officials authorized to do so;

(d) The New York Stock Exchange or other national securities exchange or any governmental authority, shall impose, as to the Series A Bonds or as to obligations of the general character of the Series A Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(e) Any amendment to the federal Constitution or Constitution of the Commonwealth or action by any federal or Commonwealth court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the Issuer, its property, the Series A Bonds (or interest thereon), or the validity or enforceability of the Bond Ordinance or the levy of taxes to pay principal of and interest on the Series A Bonds;

(f) Any event occurring or information becoming known which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(g) There shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the Issuer, except for changes which the Official Statement discloses are expected to occur;

(h) Prior to the date of Closing, the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities or a national or international calamity or crisis, financial or otherwise, which in the judgement of the Underwriter would have a material adverse affect upon the Underwriter's ability to market the Series A Bonds;

- (i) Any fact or event shall exist or have existed that, in the Underwriter's judgment, requires or has required an amendment of or supplement to the Official Statement;
- (j) There shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service of the Issuer's underlying credit rating or any rating of the Bond Insurer if insured;
- (k) The purchase of and payment for the Series A Bonds by the Underwriter, or the resale of the Series A Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; or
- (l) Legislation shall be proposed for enactment or be enacted which materially and adversely affects the taxing power of the Issuer or the ability of the Issuer to pledge its full faith, credit and taxing power for the Series A Bonds.

Notwithstanding the foregoing, the County shall have the right and privilege to terminate its obligation to sell, issue and deliver the Series A Bonds to the Underwriter pursuant to this Agreement for any reason, with or without cause at any time after a period of six (6) months following the initial date of this Agreement and the Bond Ordinance, but not after the date of the execution of any addendum by the County *pro tanto* (to the extent of the principal authorized in any addendum), upon payment of reasonable out-of-pocket expenses to the Underwriter. Written notice of the County's election to terminate this Agreement shall be given to the Underwriter promptly, and thereafter the County will have no further obligation under this Agreement.

8 **Expenses.** The Issuer shall pay all costs of issuance of the Series A Bonds, including any rating, filing, printing of Series A Bonds and Official Statement, underwriting discount, financial advisor fees, paying agent and sinking fund depositary fees, bond counsel and local counsel fees and expenses, and any other such miscellaneous expenses which occur in the normal underwriting of a Bond issue.

9. **Parties in Interest.** This Agreement as heretofore specified shall constitute the entire agreement between us and is made solely for the benefit of the Issuer and the Underwriter (including successors or assigns of the Underwriter). Notwithstanding the foregoing, the Issuer shall have the right, which right is hereby specifically acknowledged by the Underwriter, to direct the Underwriter to assign this Agreement and the Underwriter's interests in this Agreement to such party as the Issuer may direct in writing to the Underwriter. Upon such assignment the Underwriter shall be relieved of any obligations under this Agreement. The Issuer shall be responsible for the reasonable out of pocket expenses of the Underwriter in the event of any directed assignment to another party. This Agreement may be assigned by the Underwriter with the Issuer's prior written consent. All of the Issuer's representations, warranties and agreements contained in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigations made by or on behalf of the Underwriter; (ii) delivery of and payment for the Series A Bonds pursuant to this Agreement; and (iii) any termination of this Agreement.

10. **Effectiveness.** This Agreement shall become effective upon the acceptance hereof by the Issuer and shall be valid and enforceable at the time of such acceptance.

11. **Choice of Law.** This Agreement shall be governed by and construed in accordance with the law of the Commonwealth.

12. **Severability.** If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

13. *Business Day.* For purposes of this Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

14. *Section Headings.* Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

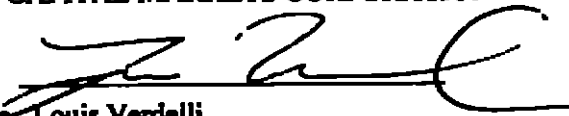

15. *Counterparts.* This Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

16. *Bank Qualifications.* The Bonds shall be designated by the Issuer, or shall or be "deemed designated", as "qualified tax-exempt obligations", for purposes of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (relating to the deductibility of interest of certain financial institutions).

If you agree with the foregoing, please sign the enclosed counterpart of this Agreement and return it to the Underwriter. This Agreement shall become a binding agreement between you and the Underwriter when at least the counterpart of this letter shall have been signed by or on behalf of each of the parties hereto.

Respectfully submitted,

Gentlemen:

The undersigned, RBC Capital Markets Corporation (the "Underwriter"), acting on its own behalf, offers to enter into the following agreement with County of Dauphin, Pennsylvania (the "*Issuer*" or the "*County*") which, upon the Issuer's written acceptance of this offer, will be binding upon the Issuer and upon the Underwriter. Terms not otherwise defined in this Agreement shall have the same meanings set forth in the Bond Ordinance (as defined herein) or in the Official Statement (as defined herein).

1. *Purchase and Sale of the Bonds.* Conditioned upon market availability, usual and customary Underwriter review and approvals, customary bond documentation and opinions and the absence of either party terminating this Agreement pursuant to Section 7 herein, and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all of the Issuer's General Obligation Bonds, Series B of 2010 (the "*Series B Bonds*"), authorized for issuance under a Ordinance adopted by the Issuer on March 3, 2010 (the "*Bond Ordinance*") and more fully described herein. Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer understands, and hereby confirms, that with respect to the Underwriter's purchase of the Series B Bonds, the Underwriter is not acting as a fiduciary of the Issuer, but rather is acting solely in its capacity as Underwriter for its own account. The Underwriter has been duly authorized to execute this agreement and to act hereunder.

The maximum aggregate principal amount of the Series B Bonds to be issued, the maximum annual principal maturity or mandatory redemption amounts, and the maximum interest rate(s) per annum, are set forth in Schedule I attached hereto. The Series B Bonds are described in, and shall be issued and secured under and pursuant to, the terms and conditions of the Bond Ordinance and any Bond Agreement authorized thereunder. Manufacturers and Traders Trust Company, Harrisburg, Pennsylvania (the "*Paying Agent*") shall serve as paying agent, sinking fund depository and registrar for the Series B Bonds.

The purchase price for any Series B Bonds purchased hereunder, including underwriting discount and net original issue discount or original issue premium, shall be negotiated and set forth in a written addendum to this Agreement (whether one or more, each referred to as the "*Bond Agreement*") executed by both parties at least 15 days prior to date of the Closing (as hereinafter defined), and shall not be less than 95.0% nor more than 115.0% of the aggregate principal amount of Series B Bonds to be issued and delivered by the Issuer, plus interest accrued, if any, on the Series B Bonds from the dated date of the Series B Bonds to the date of such Closing. The initial offering prices and yields, interest rate modes, mode conversion provisions, remarketing provisions,

optional and mandatory tender provisions, credit or liquidity provisions, optional and mandatory redemption provisions, sources and uses of funds and any other appropriate terms and conditions applicable to the Series B Bonds, not inconsistent with the Bond Ordinance and any Bond Agreement authorized thereunder, also shall be set forth in an addendum to this Agreement and shall in all respects be acceptable to the Issuer in its sole discretion. The Series B Bonds may, however, be issued and delivered by the Issuer from time to time, on such dates and in such aggregate principal amounts as may be authorized by the Issuer and acceptable to the Underwriter, and the Underwriter shall, at the time of issuance and delivery of such Series B Bonds, pay the appropriate purchase price set forth above, plus accrued interest, if any, from the dated date of such Series B Bonds to the date of delivery of such Series B Bonds.

2. *Public Offering.* The Underwriter agrees to make a bona fide public offering of all of the Series B Bonds at prices not to exceed the public offering price(s) described above, which will be set forth on the cover of an Official Statement to be prepared by or on behalf of the Issuer (the "Official Statement") in connection with the marketing and issuance of the Series B Bonds. The Underwriter may subsequently change such offering price(s) without any requirement of prior notice. The Underwriter may offer and sell Series B Bonds to certain dealers (including dealers depositing Series B Bonds into investment trusts) and others at prices lower than the public offering price stated on the cover of the Official Statement.

3. *The Preliminary Official Statement and the Official Statement.*

(a) Upon request of the Underwriter, following notification by the Issuer that it intends to issue Series B Bonds under the Bond Ordinance, a Preliminary Official Statement shall be prepared for use by the Underwriter in connection with any public offering, sale or distribution of the Series B Bonds. The Preliminary Official Statement shall be deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Series B Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule"). The Issuer hereby agrees to consent to the use by the Underwriter of the Preliminary Official Statement in connection with a public offering of the Series B Bonds.

(b) Not later than seven (7) business days after the Issuer and the Underwriter execute the addendum to this Agreement establishing the final terms applicable to the Series B Bonds, and in sufficient time to accompany any confirmation that requests payment from any customer, the Issuer shall provide, or cause to be provided, to the Underwriter, an Official Statement satisfying the requirements of the Rule. The Official Statement shall be complete as of the date of its delivery to the Underwriter and shall be made available in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board. The Issuer agrees to authorize the Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Series B Bonds.

(c) If, after the date of the Official Statement to and including the date the Underwriter is no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from a nationally recognized municipal securities repository, but in no case less than 25 days after the "end of the underwriting period" for the Series B Bonds), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, or cause to be prepared and furnished, at the Issuer's own expense (in a form and manner approved by the Underwriter), a reasonable number of

copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(d) The Underwriter hereby agrees to timely file the Official Statement with the Municipal Securities Rulemaking Board (MSRB). Unless otherwise notified in writing by the Underwriter, the Issuer can assume that the "end of the underwriting period" for purposes of the Rule is the date of the Closing.

4. *Representations, Warranties, and Covenants of the Issuer.* The Issuer hereby represents and warrants to and covenants with the Underwriter that:

(a) The Issuer is a county of the third class organized and existing under the laws of the Commonwealth of Pennsylvania (the "*Commonwealth*") and has full legal right, power and authority under the Local Government Unit Debt Act, as amended and supplemented (the "*Act*"), and at the date of the Closing will have full legal right, power and authority under the Act, and the Bond Ordinance (i) to enter into, execute and deliver this Agreement, the Bond Ordinance and the Undertaking as defined in Section 6(h)(4) hereof and all documents required hereunder and thereunder to be executed and delivered by the Issuer (this Agreement, the Bond Ordinance, the Undertaking, and the other documents referred to in this clause (i) are hereinafter referred to as the "*Issuer Documents*"), (ii) to sell, issue and deliver the Series B Bonds to the Underwriter as provided herein, and (iii) to carry out and consummate the transactions contemplated by the Issuer Documents and the Official Statement, and the Issuer has complied, and will at the Closing be in compliance in all respects, with the terms of the Act and the Issuer Documents as they pertain to such transactions;

(b) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, or such later date satisfactory to the Underwriter, the Issuer has duly authorized all necessary action to be taken by it for (i) the adoption of the Bond Ordinance and the issuance and sale of the Series B Bonds, (ii) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, contained in the Series B Bonds and the Issuer Documents and (iii) the consummation by it of all other transactions contemplated by the Official Statement, the Issuer Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the Issuer in order to carry out, give effect to, and consummate the transactions contemplated herein, in the Bond Ordinance and in the Official Statement;

(c) The Issuer Documents constitute or will constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; the Series B Bonds, when issued, delivered and paid for in accordance with the Bond Ordinance and this Agreement, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits of the Bond Ordinance and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; and upon the issuance, authentication and delivery of the Series B Bonds as aforesaid, the Bond Ordinance will provide, for the benefit of the holders, from time to time, of the Series B Bonds, the legally valid and binding pledge it purports to create as set forth in the Bond Ordinance;

(d) The Issuer is not in breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the Commonwealth or the United States, any applicable judgment or decree, or any loan agreement, indenture, bond, note, Ordinance, agreement or

other instrument to which the Issuer is a party relating to the transaction contemplated by this Agreement or to which the Issuer is or any of its property or assets are otherwise subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Series B Bonds and the Issuer Documents and the adoption of the Bond Ordinance and compliance with the provisions on the Issuer's part contained therein, will not conflict with or constitute a breach of or default under any constitutional provision, administrative regulation, judgment, decree, loan agreement, indenture, bond, Bond Ordinance, agreement or other instrument to which the Issuer is a party or to which the Issuer is or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer to be pledged to secure the Series B Bonds or under the terms of any such law, regulation or instrument, except as provided in the Series B Bonds and the Bond Ordinance;

(e) All authorizations and approvals of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under the Issuer Documents and the Series B Bonds have been or will be duly obtained;

(f) The Series B Bonds shall conform to the descriptions thereof to be set forth in the Official Statement under the caption "The Bonds"; the description of the Bond Ordinance to be contained in the Official Statement under the caption "Introduction" shall conform to the Bond Ordinance; the proceeds of the sale of the Series B Bonds will be applied generally as described in the addendum to this Agreement and in the Official Statement under the caption "Purpose of the Issue"; and, if applicable, the Undertaking shall conform to the description thereof to be contained in the Official Statement under the caption "Continuing Disclosure Undertaking;"

(g) There is no legislation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer after due inquiry, threatened against the Issuer, (1) affecting the existence of the Issuer or the titles of its officers to their respective offices, (2) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series B Bonds, or the collection of taxes pledged to the payment of principal of and interest on the Series B Bonds, pursuant to the Bond Ordinance, (3) in any way contesting or affecting the validity or enforceability of the Series B Bonds or the Issuer Documents, (4) contesting the exclusion from gross income of interest on the Series B Bonds for federal income tax purposes under existing laws or the exclusion from gross income of interest on the Series B Bonds from Pennsylvania personal income tax and Pennsylvania personal property taxes under the laws of the Commonwealth, (5) contesting in any way the timing or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or (6) contesting the powers of the Issuer or any authority for the issuance of the Series B Bonds, the adoption of the Bond Ordinance or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, if any such action does exist or is threatened, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Series B Bonds or the Issuer Documents;

(h) As of its date, the Preliminary Official Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(i) From its date (unless the Official Statement is amended or supplemented pursuant to paragraph (c) of Section 3 of this Agreement), up to and including the date of Closing, the Official Statement shall not contain any untrue statement of a material fact or omit to state any material fact required to be stated

therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(j) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Series B Bonds as provided in and subject to all of the terms and provisions of the Bond Ordinance and not to take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes or State income tax purposes of the interest on the Series B Bonds;

(k) The financial statements of, and other financial information regarding the Issuer, in the Official Statement shall fairly present the financial position and results of the Issuer as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Issuer. The Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the financial condition of the Issuer;

(l) Prior to the Closing the Issuer will not offer or issue any Bonds, Notes or other obligations for borrowed money payable from or secured by any of the revenues or assets which will secure the Series B Bonds without prior notice to the Underwriter; and

(m) Any certificate signed by any official of the Issuer duly authorized to do so in connection with the transactions contemplated by this Agreement shall be deemed a representation and warranty by the Issuer to the Underwriter as to the statements made therein;

5. *Closing.*

(a) At such time and date as shall have been mutually agreed upon by the Issuer and the Underwriter (the "*Closing*"), the Issuer will, subject to the terms and conditions hereof, deliver the Series B Bonds to the Underwriter via the Book-Entry Only System of The Depository Trust Company, together with the other documents hereinafter mentioned, and the Underwriter will, subject to the terms and conditions hereof, accept such delivery and pay the purchase price of the Series B Bonds as set forth in Section 1 of this Agreement by a wire transfer payable in immediately available funds to the order of the Issuer. Payment for the Series B Bonds as aforesaid shall be made at the offices of the Paying Agent, or such other place as shall have been mutually agreed upon by the Issuer and the Underwriter. If the Series B Bonds are issued and delivered to the Underwriter from time to time as permitted under Section 1 hereof, the mutual delivery of Series B Bonds and the other documents, certificates and opinions required by this Agreement to be made on the related Closing Date is herein referred to as a "*Closing*."

(b) The Series B Bonds shall be delivered to the Paying Agent in definitive fully registered form, bearing CUSIP numbers without coupons, with one Bond for each maturity of the Series B Bonds, registered in the name of Cede & Co., all as provided in the Bond Ordinance. Upon request, copies of the executed Series B Bonds shall be made available to the Underwriter at least one business day before the Closing for purposes of inspection.

6 *Closing Conditions.* The Underwriter has entered into this Agreement in reliance upon the representations, warranties and agreements of the Issuer contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriter's obligation under this Agreement to purchase, to accept delivery of and to pay for the Series B Bonds shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Underwriter:

- (a) The representations and warranties of the Issuer contained herein shall be true, complete and correct on the date hereof and on and as of the date of the Closing, as if made on the date of the Closing;
- (b) The Issuer shall have performed and complied with all agreements and conditions required by this Agreement to be performed or complied with by it prior to or at the Closing;
- (c) At the time of the Closing, (i) the Issuer Documents and the Series B Bonds shall be in full force and effect in the form heretofore approved by the Underwriter and shall not have been amended, modified or supplemented, and the Official Statement shall not have been supplemented or amended, except in any such case as may have been agreed to by the Underwriter; and (ii) all actions of the Issuer required to be taken by the Issuer shall be performed in order for Bond Counsel to deliver its opinion referred to hereafter;
- (d) At or prior to the Closing, the Bond Ordinance shall have been duly adopted by the Issuer and in full force and effect, and the Issuer shall have duly executed and delivered the Series B Bonds to the Paying Agent for the Paying Agent's authentication of the Series B Bonds;
- (e) At the time of the Closing, there shall not have occurred any change or any development involving a prospective change in the condition, financial or otherwise, or in the revenues or operations of the Issuer, from that set forth in the Official Statement that in the judgment of the Underwriter, is material and adverse and that makes it, in the judgment of the Underwriter, impracticable to market the Series B Bonds on the terms and in the manner contemplated in the Official Statement;
- (f) The Issuer shall not have failed to pay principal or interest when due on any of its outstanding obligations for borrowed money;
- (g) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions contemplated by this Agreement shall be reasonably satisfactory in legal form and effect to the Underwriter; and
- (h) At or prior to the Closing, the Underwriter shall have received copies of each of the following documents:
- (1) The Official Statement, and each supplement or amendment thereto, if any, executed on behalf of the Issuer by an officer of the Issuer, or such other official as may have been agreed to by the Underwriter, and the reports and audits referred to or appearing in the Official Statement;
 - (2) The Bond Ordinance and any Bond Agreement authorized thereunder, each with such supplements or amendments as may have been agreed to by the Underwriter;
 - (3) This Agreement, together with all addendums pertaining to the final terms of the Series B Bonds, duly executed by the Issuer;
 - (4) The Continuing Disclosure Undertaking (the "Undertaking") of the Issuer which satisfies the requirements of section (b)(5)(i) of the Rule;
 - (5) The approving opinion of Bond Counsel with respect to the Series B Bonds;
 - (6) A certificate, dated the date of Closing, of the Issuer to the effect that (i) the representations and warranties of the Issuer contained herein are true and correct in all material respects on and as of the date of Closing as if made on the date of Closing; (ii) no litigation or

proceeding against it is pending or, to its knowledge, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the Issuer to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Issuer, (c) contest the validity, due authorization and execution of the Series B Bonds or the Issuer Documents or (d) attempt to limit, enjoin or otherwise restrict or prevent the Issuer from functioning and collecting revenues, and other income, or the levy or collection of taxes to pay the principal of and interest on the Series B Bonds, or the pledge of the full faith, credit and taxing power of the Issuer for payment of the Series B Bonds; (iii) the Ordinances of the Issuer authorizing the execution, delivery and/or performance of the Official Statement, the Series B Bonds and Issuer Documents have been duly adopted by the Issuer, are in full force and effect and have not been modified, amended or repealed, and (iv) to the best of its knowledge, no event affecting the Issuer has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein, in light of the circumstances under which made, not misleading in any respect as of the time of Closing, and the information contained in the Official Statement (as the same may have been amended or supplemented in accordance with Section 3(c) hereof, if applicable) is correct in all material respects and, as of the date of the Official Statement did not, and as of the date of the Closing does not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(7) A certificate of the Issuer in form and substance satisfactory to Bond Counsel (a) setting forth the facts, estimates and circumstances in existence on the date of the Closing which establish that it is not expected that the proceeds of the Series B Bonds will be used in a manner that would cause the Series B Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and any applicable regulations (whether final, temporary or proposed), issued pursuant to the Code, and (b) certifying that to the best of the knowledge and belief of the Issuer there are no other facts, estimates or circumstances that would materially change the conclusions, representations and expectations contained in such certificate;

(8) Any other certificates and opinions required by the Bond Ordinance for the issuance thereunder of the Series B Bonds.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Series B Bonds contained in this Agreement, or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Series B Bonds shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriter nor the Issuer shall be under any further obligation hereunder.

7. *Termination.* Either party shall have the right to terminate this Agreement and their obligations hereunder if, between the date of this Agreement and the Closing, the market price or marketability of the Series B Bonds shall, in the sole judgement of the terminating party, be materially adversely affected by the occurrence of any of the following:

(a) Legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the Commonwealth or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice by or on behalf of the Treasury

Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation upon interest received on obligations of the general character of the Series B Bonds as described in the Official Statement, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated herein;

(b) Legislation shall be introduced in or enacted (or Ordinance passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice shall be issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Series B Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the Securities Act of 1933, or that the Bond Ordinance is not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Series B Bonds, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect;

(c) A general suspension of trading in securities on the New York Stock Exchange or the American Stock Exchange, the establishment of minimum prices on either such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York or Pennsylvania state officials authorized to do so;

(d) The New York Stock Exchange or other national securities exchange or any governmental authority, shall impose, as to the Series B Bonds or as to obligations of the general character of the Series B Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(e) Any amendment to the federal Constitution or Constitution of the Commonwealth or action by any federal or Commonwealth court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the Issuer, its property, the Series B Bonds (or interest thereon), or the validity or enforceability of the Bond Ordinance or the levy of taxes to pay principal of and interest on the Series B Bonds;

(f) Any event occurring or information becoming known which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(g) There shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the Issuer, except for changes which the Official Statement discloses are expected to occur;

(h) Prior to the date of Closing, the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities or a national or international calamity or crisis, financial or otherwise, which in the judgement of the Underwriter would have a material adverse affect upon the Underwriter's ability to market the Series B Bonds;

- (i) Any fact or event shall exist or have existed that, in the Underwriter's judgment, requires or has required an amendment of or supplement to the Official Statement;
- (j) There shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service of the Issuer's underlying credit rating or any rating of the Bond Insurer if insured;
- (k) The purchase of and payment for the Series B Bonds by the Underwriter, or the resale of the Series B Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; or
- (l) Legislation shall be proposed for enactment or be enacted which materially and adversely affects the taxing power of the Issuer or the ability of the Issuer to pledge its full faith, credit and taxing power for the Series B Bonds.

Notwithstanding the foregoing, the County shall have the right and privilege to terminate its obligation to sell, issue and deliver the Series B Bonds to the Underwriter pursuant to this Agreement for any reason, with or without cause at any time after a period of six (6) months following the initial date of this Agreement and the Bond Ordinance, but not after the date of the execution of any addendum by the County *pro tanto* (to the extent of the principal authorized in any addendum), upon payment of reasonable out-of-pocket expenses to the Underwriter. Written notice of the County's election to terminate this Agreement shall be given to the Underwriter promptly, and thereafter the County will have no further obligation under this Agreement.

8. **Expenses.** The Issuer shall pay all costs of issuance of the Series B Bonds, including any rating, filing, printing of Series B Bonds and Official Statement, underwriting discount, financial advisor fees, paying agent and sinking fund depository fees, bond counsel and local counsel fees and expenses, and any other such miscellaneous expenses which occur in the normal underwriting of a Bond issue.

9. **Parties in Interest.** This Agreement as heretofore specified shall constitute the entire agreement between us and is made solely for the benefit of the Issuer and the Underwriter (including successors or assigns of the Underwriter). Notwithstanding the foregoing, the Issuer shall have the right, which right is hereby specifically acknowledged by the Underwriter, to direct the Underwriter to assign this Agreement and the Underwriter's interests in this Agreement to such party as the Issuer may direct in writing to the Underwriter. Upon such assignment the Underwriter shall be relieved of any obligations under this Agreement. The Issuer shall be responsible for the reasonable out of pocket expenses of the Underwriter in the event of any directed assignment to another party. This Agreement may be assigned by the Underwriter with the Issuer's prior written consent. All of the Issuer's representations, warranties and agreements contained in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigations made by or on behalf of the Underwriter, (ii) delivery of and payment for the Series B Bonds pursuant to this Agreement, and (iii) any termination of this Agreement.

10. **Effectiveness.** This Agreement shall become effective upon the acceptance hereof by the Issuer and shall be valid and enforceable at the time of such acceptance.

11. **Choice of Law.** This Agreement shall be governed by and construed in accordance with the law of the Commonwealth.

12. **Severability.** If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

13. *Business Day.* For purposes of this Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

14. *Section Headings.* Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

15. *Counterparts.* This Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

16. *Bank Qualifications.* The Bonds shall be designated by the Issuer, or shall or be "deemed designated", as "qualified tax-exempt obligations", for purposes of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (relating to the deductibility of interest of certain financial institutions).

If you agree with the foregoing, please sign the enclosed counterpart of this Agreement and return it to the Underwriter. This Agreement shall become a binding agreement between you and the Underwriter when at least the counterpart of this letter shall have been signed by or on behalf of each of the parties hereto.

Gentlemen:

The undersigned, RBC Capital Markets Corporation (the "Underwriter"), acting on its own behalf, offers to enter into the following agreement with County of Dauphin, Pennsylvania (the "Issuer" or the "County") which, upon the Issuer's written acceptance of this offer, will be binding upon the Issuer and upon the Underwriter. Terms not otherwise defined in this Agreement shall have the same meanings set forth in the Bond Ordinance (as defined herein) or in the Official Statement (as defined herein).

1. *Purchase and Sale of the Bonds* Conditioned upon market availability, usual and customary Underwriter review and approvals, customary bond documentation and opinions and the absence of either party terminating this Agreement pursuant to Section 7 herein, and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all of the Issuer's General Obligation Bonds, Taxable Series C of 2010 (the "Series C Bonds"), authorized for issuance under a Ordinance adopted by the Issuer on March 3, 2010 (the "Bond Ordinance") and more fully described herein. Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer understands, and hereby confirms, that with respect to the Underwriter's purchase of the Series C Bonds, the Underwriter is not acting as a fiduciary of the Issuer, but rather is acting solely in its capacity as Underwriter for its own account. The Underwriter has been duly authorized to execute this agreement and to act hereunder.

The maximum aggregate principal amount of the Series C Bonds to be issued, the maximum annual principal maturity or mandatory redemption amounts, and the maximum interest rate(s) per annum, are set forth in Schedule I attached hereto. The Series C Bonds are described in, and shall be issued and secured under and pursuant to, the terms and conditions of the Bond Ordinance and any Bond Agreement authorized thereunder. Manufacturers and Traders Trust Company, Harrisburg, Pennsylvania (the "Paying Agent") shall serve as paying agent, sinking fund depository and registrar for the Series C Bonds.

The purchase price for any Series C Bonds purchased hereunder, including underwriting discount and net original issue discount or original issue premium, shall be negotiated and set forth in a written addendum to this Agreement (whether one or more, each referred to as the "Bond Agreement") executed by both parties at least 15 days prior to date of the Closing (as hereinafter defined), and shall not be less than 95.0% nor more than 115.0% of the aggregate principal amount of Series C Bonds to be issued and delivered by the Issuer, plus interest accrued, if any, on the Series C Bonds from the dated date of the Series C Bonds to the date of such Closing. The initial offering prices and yields, interest rate modes, mode conversion provisions, remarketing provisions,

optional and mandatory tender provisions, credit or liquidity provisions, optional and mandatory redemption provisions, sources and uses of funds and any other appropriate terms and conditions applicable to the Series C Bonds, not inconsistent with the Bond Ordinance and any Bond Agreement authorized thereunder, also shall be set forth in an addendum to this Agreement and shall in all respects be acceptable to the Issuer in its sole discretion. The Series C Bonds may, however, be issued and delivered by the Issuer from time to time, on such dates and in such aggregate principal amounts as may be authorized by the Issuer and acceptable to the Underwriter, and the Underwriter shall, at the time of issuance and delivery of such Series C Bonds, pay the appropriate purchase price set forth above, plus accrued interest, if any, from the dated date of such Series C Bonds to the date of delivery of such Series C Bonds.

2. *Public Offering* The Underwriter agrees to make a bona fide public offering of all of the Series C Bonds at prices not to exceed the public offering price(s) described above, which will be set forth on the cover of an Official Statement to be prepared by or on behalf of the Issuer (the "Official Statement") in connection with the marketing and issuance of the Series C Bonds. The Underwriter may subsequently change such offering price(s) without any requirement of prior notice. The Underwriter may offer and sell Series C Bonds to certain dealers (including dealers depositing Series C Bonds into investment trusts) and others at prices lower than the public offering price stated on the cover of the Official Statement.

3. *The Preliminary Official Statement and the Official Statement.*

(a) Upon request of the Underwriter, following notification by the Issuer that it intends to issue Series C Bonds under the Bond Ordinance, a Preliminary Official Statement shall be prepared for use by the Underwriter in connection with any public offering, sale or distribution of the Series C Bonds. The Preliminary Official Statement shall be deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Series C Bonds for completion, all as permitted to be excluded by Section (b)(1) of Rule 15c2-12 under the Securities Exchange Act of 1934 (the "Rule"). The Issuer hereby agrees to consent to the use by the Underwriter of the Preliminary Official Statement in connection with a public offering of the Series C Bonds.

(b) Not later than seven (7) business days after the Issuer and the Underwriter execute the addendum to this Agreement establishing the final terms applicable to the Series C Bonds, and in sufficient time to accompany any confirmation that requests payment from any customer, the Issuer shall provide, or cause to be provided, to the Underwriter, an Official Statement satisfying the requirements of the Rule. The Official Statement shall be complete as of the date of its delivery to the Underwriter and shall be made available in such quantity as the Underwriter shall reasonably request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board. The Issuer agrees to authorize the Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Series C Bonds.

(c) If, after the date of the Official Statement to and including the date the Underwriter is no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) 90 days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from a nationally recognized municipal securities repository, but in no case less than 25 days after the "end of the underwriting period" for the Series C Bonds), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as it may from time to time reasonably request), and if, in the opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, or cause to be prepared and furnished, at the Issuer's own expense (in a form and manner approved by the Underwriter), a reasonable number of

copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(d) The Underwriter hereby agrees to timely file the Official Statement with each nationally recognized municipal securities information repository and with the Municipal Securities Rulemaking Board (MSRB). Unless otherwise notified in writing by the Underwriter, the Issuer can assume that the "end of the underwriting period" for purposes of the Rule is the date of the Closing.

4. *Representations, Warranties, and Covenants of the Issuer.* The Issuer hereby represents and warrants to and covenants with the Underwriter that:

(a) The Issuer is a count of the third class organized and existing under the laws of the Commonwealth of Pennsylvania (the "*Commonwealth*") and has full legal right, power and authority under the Local Government Unit Debt Act, as amended and supplemented (the "*Act*"), and at the date of the Closing will have full legal right, power and authority under the Act, and the Bond Ordinance (i) to enter into, execute and deliver this Agreement, the Bond Ordinance and the Undertaking as defined in Section 6(h)(4) hereof and all documents required hereunder and thereunder to be executed and delivered by the Issuer (this Agreement, the Bond Ordinance, the Undertaking, and the other documents referred to in this clause (i) are hereinafter referred to as the "*Issuer Documents*"), (ii) to sell, issue and deliver the Series C Bonds to the Underwriter as provided herein, and (iii) to carry out and consummate the transactions contemplated by the Issuer Documents and the Official Statement, and the Issuer has complied, and will at the Closing be in compliance in all respects, with the terms of the Act and the Issuer Documents as they pertain to such transactions,

(b) By all necessary official action of the Issuer prior to or concurrently with the acceptance hereof, or such later date satisfactory to the Underwriter, the Issuer has duly authorized all necessary action to be taken by it for (i) the adoption of the Bond Ordinance and the issuance and sale of the Series C Bonds, (ii) the approval, execution and delivery of, and the performance by the Issuer of the obligations on its part, contained in the Series C Bonds and the Issuer Documents and (iii) the consummation by it of all other transactions contemplated by the Official Statement, the Issuer Documents and any and all such other agreements and documents as may be required to be executed, delivered and/or received by the Issuer in order to carry out, give effect to, and consummate the transactions contemplated herein, in the Bond Ordinance and in the Official Statement;

(c) The Issuer Documents constitute or will constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their respective terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; the Series C Bonds, when issued, delivered and paid for in accordance with the Bond Ordinance and this Agreement, will constitute legal, valid and binding obligations of the Issuer entitled to the benefits of the Bond Ordinance and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; and upon the issuance, authentication and delivery of the Series C Bonds as aforesaid, the Bond Ordinance will provide, for the benefit of the holders, from time to time, of the Series C Bonds, the legally valid and binding pledge it purports to create as set forth in the Bond Ordinance;

(d) The Issuer is not in breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the Commonwealth or the United States, any

applicable judgment or decree, or any loan agreement, indenture, bond, Bond Ordinance, agreement or other instrument to which the Issuer is a party relating to the transaction contemplated by this Agreement or to which the Issuer is or any of its property or assets are otherwise subject, and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Series C Bonds and the Issuer Documents and the adoption of the Bond Ordinance and compliance with the provisions on the Issuer's part contained therein, will not conflict with or constitute a breach of or default under any constitutional provision, administrative regulation, judgment, decree, loan agreement, indenture, bond, Bond Ordinance, agreement or other instrument to which the Issuer is a party or to which the Issuer is or any of its property or assets is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer to be pledged to secure the Series C Bonds or under the terms of any such law, regulation or instrument, except as provided in the Series C Bonds and the Bond Ordinance;

(e) All authorizations and approvals of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matter which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under the Issuer Documents and the Series C Bonds have been or will be duly obtained;

(f) The Series C Bonds shall conform to the descriptions thereof to be set forth in the Official Statement under the caption "The Bonds"; the description of the Bond Ordinance to be contained in the Official Statement under the caption "Introduction" shall conform to the Bond Ordinance; the proceeds of the sale of the Series C Bonds will be applied generally as described in the addendum to this Agreement and in the Official Statement under the caption "Purpose of the Issue"; and, if applicable, the Undertaking shall conform to the description thereof to be contained in the Official Statement under the caption "Continuing Disclosure Undertaking;"

(g) There is no legislation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer after due inquiry, threatened against the Issuer, (1) affecting the existence of the Issuer or the titles of its officers to their respective offices, (2) affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Series C Bonds, or the collection of taxes pledged to the payment of principal of and interest on the Series C Bonds, pursuant to the Bond Ordinance, (3) in any way contesting or affecting the validity or enforceability of the Series C Bonds or the Issuer Documents, (4) contesting the exclusion from gross income of interest on the Series C Bonds from Pennsylvania personal income tax and Pennsylvania personal property taxes under the laws of the Commonwealth, (5) contesting in any way the timing or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or (6) contesting the powers of the Issuer or any authority for the issuance of the Series C Bonds, the adoption of the Bond Ordinance or the execution and delivery of the Issuer Documents, nor, to the best knowledge of the Issuer, if any such action does exist or is threatened, is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the validity or enforceability of the Series C Bonds or the Issuer Documents;

(h) As of its date, the Preliminary Official Statement shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(i) From its date (unless the Official Statement is amended or supplemented pursuant to paragraph (c) of Section 3 of this Agreement), up to and including the date of Closing, the Official Statement shall not contain any untrue statement of a material fact or omit to state any material fact required to be stated

therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(j) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Series C Bonds as provided in and subject to all of the terms and provisions of the Bond Ordinance and not to take or omit to take any action which action or omission will adversely affect the exclusion from gross income for State income tax purposes of the interest on the Series C Bonds;

(k) The financial statements of, and other financial information regarding the Issuer, in the Official Statement shall fairly present the financial position and results of the Issuer as of the dates and for the periods therein set forth. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Issuer. The Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the financial condition of the Issuer;

(l) Prior to the Closing the Issuer will not offer or issue any Bonds, Notes or other obligations for borrowed money payable from or secured by any of the revenues or assets which will secure the Series C Bonds without prior notice to the Underwriter; and

(m) Any certificate signed by any official of the Issuer duly authorized to do so in connection with the transactions contemplated by this Agreement shall be deemed a representation and warranty by the Issuer to the Underwriter as to the statements made therein;

5. *Closing.*

(a) At such time and date as shall have been mutually agreed upon by the Issuer and the Underwriter (the "*Closing*"), the Issuer will, subject to the terms and conditions hereof, deliver the Series C Bonds to the Underwriter via the Book-Entry Only System of The Depository Trust Company, together with the other documents hereinafter mentioned, and the Underwriter will, subject to the terms and conditions hereof, accept such delivery and pay the purchase price of the Series C Bonds as set forth in Section 1 of this Agreement by a wire transfer payable in immediately available funds to the order of the Issuer. Payment for the Series C Bonds as aforesaid shall be made at the offices of the Paying Agent, or such other place as shall have been mutually agreed upon by the Issuer and the Underwriter. If the Series C Bonds are issued and delivered to the Underwriter from time to time as permitted under Section 1 hereof, the mutual delivery of Series C Bonds and the other documents, certificates and opinions required by this Agreement to be made on the related Closing Date is herein referred to as a "*Closing*."

(b) The Series C Bonds shall be delivered to the Paying Agent in definitive fully registered form, bearing CUSIP numbers without coupons, with one Bond for each maturity of the Series C Bonds, registered in the name of Cede & Co., all as provided in the Bond Ordinance. Upon request, copies of the executed Series C Bonds shall be made available to the Underwriter at least one business day before the Closing for purposes of inspection.

6. *Closing Conditions.* The Underwriter has entered into this Agreement in reliance upon the representations, warranties and agreements of the Issuer contained herein, and in reliance upon the representations, warranties and agreements to be contained in the documents and instruments to be delivered at the Closing and upon the performance by the Issuer of its obligations hereunder, both as of the date hereof and as of the date of the Closing. Accordingly, the Underwriter's obligation under this Agreement to purchase, to accept delivery of and to pay for the Series C Bonds shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Underwriter:

- (a) The representations and warranties of the Issuer contained herein shall be true, complete and correct on the date hereof and on and as of the date of the Closing, as if made on the date of the Closing;
- (b) The Issuer shall have performed and complied with all agreements and conditions required by this Agreement to be performed or complied with by it prior to or at the Closing;
- (c) At the time of the Closing, (i) the Issuer Documents and the Series C Bonds shall be in full force and effect in the form heretofore approved by the Underwriter and shall not have been amended, modified or supplemented, and the Official Statement shall not have been supplemented or amended, except in any such case as may have been agreed to by the Underwriter; and (ii) all actions of the Issuer required to be taken by the Issuer shall be performed in order for Bond Counsel to deliver its opinion referred to hereafter;
- (d) At or prior to the Closing, the Bond Ordinance shall have been duly adopted by the Issuer and in full force and effect, and the Issuer shall have duly executed and delivered the Series C Bonds to the Paying Agent for the Paying Agent's authentication of the Series C Bonds;
- (e) At the time of the Closing, there shall not have occurred any change or any development involving a prospective change in the condition, financial or otherwise, or in the revenues or operations of the Issuer, from that set forth in the Official Statement that in the judgment of the Underwriter, is material and adverse and that makes it, in the judgment of the Underwriter, impracticable to market the Series C Bonds on the terms and in the manner contemplated in the Official Statement;
- (f) The Issuer shall not have failed to pay principal or interest when due on any of its outstanding obligations for borrowed money;
- (g) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions contemplated by this Agreement shall be reasonably satisfactory in legal form and effect to the Underwriter; and

 - (2) The Bond Ordinance and any Bond Agreement authorized thereunder, each with such supplements or amendments as may have been agreed to by the Underwriter;
 - (3) This Agreement, together with all addendums pertaining to the final terms of the Series C Bonds, duly executed by the Issuer;
 - (4) The Continuing Disclosure Undertaking (the "Undertaking") of the Issuer which satisfies the requirements of section (b)(5)(i) of the Rule;
 - (5) The approving opinion of Bond Counsel with respect to the Series C Bonds;
 - (6) A certificate, dated the date of Closing, of the Issuer to the effect that (i) the representations and warranties of the Issuer contained herein are true and correct in all material respects on and as of the date of Closing as if made on the date of Closing; (ii) no litigation or

proceeding against it is pending or, to its knowledge, threatened in any court or administrative body nor is there a basis for litigation which would (a) contest the right of the members or officials of the Issuer to hold and exercise their respective positions, (b) contest the due organization and valid existence of the Issuer, (c) contest the validity, due authorization and execution of the Series C Bonds or the Issuer Documents or (d) attempt to limit, enjoin or otherwise restrict or prevent the Issuer from functioning and collecting revenues, and other income, or the levy or collection of taxes to pay the principal of and interest on the Series C Bonds, or the pledge of the full faith, credit and taxing power of the Issuer for payment of the Series C Bonds; (iii) the Ordinances of the Issuer authorizing the execution, delivery and/or performance of the Official Statement, the Series C Bonds and Issuer Documents have been duly adopted by the Issuer, are in full force and effect and have not been modified, amended or repealed, and (iv) to the best of its knowledge, no event affecting the Issuer has occurred since the date of the Official Statement which should be disclosed in the Official Statement for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein, in light of the circumstances under which made, not misleading in any respect as of the time of Closing, and the information contained in the Official Statement (as the same may have been amended or supplemented in accordance with Section 3(c) hereof, if applicable) is correct in all material respects and, as of the date of the Official Statement did not, and as of the date of the Closing does not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading;

(7) Any other certificates and opinions required by the Bond Ordinance for the issuance thereunder of the Series C Bonds.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Series C Bonds contained in this Agreement, or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Series C Bonds shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriter nor the Issuer shall be under any further obligation hereunder.

7. *Termination.* Either party shall have the right to terminate this Agreement and their obligations hereunder if, between the date of this Agreement and the Closing, the market price or marketability of the Series C Bonds shall, in the sole judgement of the terminating party, be materially adversely affected by the occurrence of any of the following:

(a) Legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the Commonwealth or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated herein;

(b) Legislation shall be introduced in or enacted (or Ordinance passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice shall be issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Series C Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the

Securities Act of 1933, or that the Bond Ordinance is not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Series C Bonds, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities law as amended and then in effect;

(c) A general suspension of trading in securities on the New York Stock Exchange or the American Stock Exchange, the establishment of minimum prices on either such exchange, the establishment of material restrictions (not in force as of the date hereof) upon trading securities generally by any governmental authority or any national securities exchange, a general banking moratorium declared by federal, State of New York or Pennsylvania state officials authorized to do so;

(d) The New York Stock Exchange or other national securities exchange or any governmental authority, shall impose, as to the Series C Bonds or as to obligations of the general character of the Series C Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(e) Any amendment to the federal Constitution or Constitution of the Commonwealth or action by any federal or Commonwealth court, legislative body, regulatory body, or other authority materially adversely affecting the tax status of the Issuer, its property, the Series C Bonds (or interest thereon), or the validity or enforceability of the Bond Ordinance or the levy of taxes to pay principal of and interest on the Series C Bonds;

(f) Any event occurring or information becoming known which, in the judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(g) There shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the Issuer, except for changes which the Official Statement discloses are expected to occur;

(h) Prior to the date of Closing, the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities or a national or international calamity or crisis, financial or otherwise, which in the judgment of the Underwriter would have a material adverse affect upon the Underwriter's ability to market the Series C Bonds,

(i) Any fact or event shall exist or have existed that, in the Underwriter's judgment, requires or has required an amendment of or supplement to the Official Statement;

(j) There shall have occurred or any notice shall have been given of any intended review, downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service of the Issuer's underlying credit rating or any rating of the Bond Insurer if insured,

(k) The purchase of and payment for the Series C Bonds by the Underwriter, or the resale of the Series C Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; or

(l) Legislation shall be proposed for enactment or be enacted which materially and adversely affects the taxing power of the Issuer or the ability of the Issuer to pledge its full faith, credit and taxing power for the Series C Bonds.

Notwithstanding the foregoing, the County shall have the right and privilege to terminate its obligation to sell, issue and deliver the Series C Bonds to the Underwriter pursuant to this Agreement for any reason, with or without cause at any time after a period of six (6) months following the initial date of this Agreement and the Bond Ordinance, but not after the date of the execution of any addendum by the County *pro tanto* (to the extent of the principal authorized in any addendum), upon payment of reasonable out-of-pocket expenses to the Underwriter. Written notice of the County's election to terminate this Agreement shall be given to the Underwriter promptly, and thereafter the County will have no further obligation under this Agreement.

8. *Expenses.* The Issuer shall pay all costs of issuance of the Series C Bonds, including any rating, filing, printing of Series C Bonds and Official Statement, underwriting discount, financial advisor fees, paying agent and sinking fund depository fees, bond counsel and local counsel fees and expenses, and any other such miscellaneous expenses which occur in the normal underwriting of a Bond issue.

9. *Parties In Interest.* This Agreement as heretofore specified shall constitute the entire agreement between us and is made solely for the benefit of the Issuer and the Underwriter (including successors or assigns of the Underwriter). Notwithstanding the foregoing, the Issuer shall have the right, which right is hereby specifically acknowledged by the Underwriter, to direct the Underwriter to assign this Agreement and the Underwriter's interests in this Agreement to such party as the Issuer may direct in writing to the Underwriter. Upon such assignment the Underwriter shall be relieved of any obligations under this Agreement. The Issuer shall be responsible for the reasonable out of pocket expenses of the Underwriter in the event of any directed assignment to another party. This Agreement may be assigned by the Underwriter with the Issuer's prior written consent. All of the Issuer's representations, warranties and agreements contained in this Agreement shall remain operative and in full force and effect, regardless of (i) any investigations made by or on behalf of the Underwriter; (ii) delivery of and payment for the Series C Bonds pursuant to this Agreement; and (iii) any termination of this Agreement.

10. *Effectiveness.* This Agreement shall become effective upon the acceptance hereof by the Issuer and shall be valid and enforceable at the time of such acceptance.

11. *Choice of Law.* This Agreement shall be governed by and construed in accordance with the law of the Commonwealth.

12. *Severability.* If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provisions of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.

13. *Business Day.* For purposes of this Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

14. *Section Headings.* Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

15. *Counterparts.* This Agreement may be executed in several counterparts each of which shall be regarded as an original (with the same effect as if the signatures thereto and hereto were upon the same document) and all of which shall constitute one and the same document.

16. **Bank Qualifications.** The Bonds shall be designated by the Issuer, or shall or be "deemed designated", as "qualified tax-exempt obligations", for purposes of Section 265(b)(3)(B) of the Internal Revenue Code of 1986, as amended (relating to the deductibility of interest of certain financial institutions).

If you agree with the foregoing, please sign the enclosed counterpart of this Agreement and return it to the Underwriter. This Agreement shall become a binding agreement between you and the Underwriter when at least the counterpart of this letter shall have been signed by or on behalf of each of the parties hereto.

Respectfully submitted,
