**SCHEDULING ORDER**

AND NOW, this \_\_\_\_\_ day of \_\_\_\_\_, 202\_, upon consideration of \_\_\_\_\_  
Administrative Application for Status Conference,

IT IS HEREBY ORDERED AND DECREED that a status conference on the above-referenced matter is scheduled **with the attorneys only** for \_\_\_\_\_ before the undersigned judge sitting in **Chambers, Third Floor**, Dauphin County Courthouse, 101 Market Street, Harrisburg, Pennsylvania 17101.

At the status conference, it is likely that the Court will set a date certain for trial as well as various deadlines prior thereto. Attached is the Case Management Order (CMO) format. The parties shall confer prior to the status conference in an attempt to agree to a date certain for trial and close of discovery. The attorneys shall review their own calendar and confer with their clients and witnesses to determine when they will not be available for trial. Accordingly,

once a date certain for trial has been set, the Court will be reluctant to continue the case because of attorney, client and/or witness unavailability.
