The Board of Commissioners of Dauphin County (the "Board") approves the following Tax Levy and Appropriation Resolution.

SECTION 1. A tax is hereby levied on all real property in Dauphin County subject to taxation for county purposes for the calendar year 2012, as follows: Tax rate for general county purposes, the sum of 6.876 mills on each dollar of assessed valuation — that is, the sum of \$0.6876 on each One Hundred Dollars (\$100.00) of assessed valuation.

SECTION 2. All taxpayers subject to the payment of real estate taxes levied by this Resolution shall be entitled to a discount of two per centum (2%) from the amount thereof if payment is made within two months after the date of the tax notice. All taxpayers who fail to make payment of such taxes charged against them within four months after the date of the tax notice shall be subject to a penalty. The penalty shall be five per centum (5%) of the amount of the tax if it is paid within the period beginning four months after the date of the tax notice and ending six months after the date of the tax notice. Thereafter the penalty shall be ten per centum (10%) of the amount of such tax.

SECTION 3. For the expenses of Dauphin County during calendar year 2012, the Board appropriates from the revenues available for that year the specific sums estimated to be required for purposes of County government as set forth in the 2012 Budget adopted on the 14th day of December, 2011.

SECTION 4. Except for the Township of Derry and the Borough of Middletown, a special tax of 0.350 mills on each dollar of assessed valuation shall be levied upon all real property in Dauphin County subject to taxation for county purposes for the calendar year 2012 in order to support the Dauphin County Library System. This special tax is levied pursuant to the terms and conditions of The Library Code, Act of June 14, 1961, P.L. 324, as amended, 24 P.S. §4101 et seq. In accordance with Section 4401 thereof, a special levy will not be imposed upon the Township of Derry and the Borough of Middletown because these municipalities appropriate funds or levy taxes for the support of local libraries, which are not part of the County library district.
